**Keep Out
Of Reach
Of Children.**

(see side panel
for additional
precautions)

**Net Contents
One Quart**

CAUTION: Keep out of reach of children. Avoid contact with skin. In case of contact, wash with plenty of water.

DIRECTIONS

Security Quik Trem is effective for pre- and post-emergent control of weeds, plants and as a contact spray for weeds and plants. Repeat applications may be necessary for certain species and for maintenance. Do not allow contact with desirable plants or vegetation. Do not use under shallow rooted plants such as azaleas and dogwoods. Do not contaminate water used for irrigation or domestic purposes. Quik Trem is corrosive to many metals. Keep away from such materials.

As an edger around walks, driveways, patios and similar locations: Point applicator end of plastic bottle toward surface to be treated. To get desired band width, raise or lower applicator bottle. Apply at the rate of 1 quart to 250 linear feet on a 4 inch band. To obtain a 4 inch band hold applicator end of container approximately two feet from surface to be treated.

Poison Ivy, Poison Oak & Other Woody Plants—thoroughly wet foliage.

Best results are obtained under normal moisture conditions and on clear days when the temperature is above 75° F.

DISPOSAL WARNING

Dispose of waste pesticide and container in a safe place. Never re-use container.
