 Registration  
 Reregistration

(under FIFRA, as amended)

Term of Issuance: Until Reregistration

Name of Pesticide Product:  
SureCo 30 Day Dog Dip

Name and Address of Registrant (include ZIP Code):

SureCo, Inc.  
P.O. Box 921879  
Norcross, Georgia 30092-1879

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 769-577."
- b. On the first page delete the claim "Low Odor" and substitute "No Unpleasant Odor."
- c. In the Statement of Practical Treatment delete the directions for "If Swallowed" and substitute the following:

Do not induce vomiting. Call a physician or Poison Control Center immediately. Do not give anything by mouth to an unconscious person.

Signature of Approving Official:

DENNIS H. EDWARDS

Date:

DEC 23 1992

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

DHE

Dennis H. Edwards, Jr.

SureCo, Inc.  
P.O. Box 921879, Norcross, GA 30092-1879

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 769-577

EPA EST #769-GA-1

EPA REG #769-

Net Contents \_\_\_ oz.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Shake well before using. Stir four (4) Tablespoonsful (2 fl. ozs.) of Dip Concentrate into one (1) gallon of water. Use rubber gloves. Dip, sponge or swab dog with the emulsion until thoroughly wet. Avoid allowing dip to enter dog's nose or mouth. Dipping should not exceed 30 seconds. Allow dog to dry in warm place without rinsing or toweling. Kills fleas, ticks and mites on contact, but may require 24-48 hours to kill engorged ticks. Repeat application in 21 day intervals as necessary.

**STORAGE AND DISPOSAL**

**Storage:** Store in a cool, dry area away from heat or open flame.

**Disposal:** Do not re-use container. Wrap and discard in trash.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

**WARNING**

May be fatal if swallowed, inhaled or absorbed through skin. May cause eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Do not use on Cats. Do not use on bitches nursing puppies or pups under three (3) months old. Do not use this product within 30 days before or after treatment with other cholinesterase inhibiting drugs or chemicals.

**NOTE TO PHYSICIAN AND VETERINARIAN**

Chlorpyrifos is a cholinesterase inhibitor. Atropine by injection is antidotal only if symptoms of cholinesterase inhibition are present.

**STATEMENT OF PRACTICAL TREATMENT**

**If Swallowed:** Call a physician or Poison Control Center. Give a glass of milk or water and induce vomiting by touching finger to back of throat. Never induce vomiting or give anything by mouth to an unconscious or convulsing person.

**If In Eyes:** Flush with plenty of water. Get medical attention if irritation persists.

**If On Skin:** Wash off with soap and water. Remove contaminated clothing and wash before reuse.
