- If in eyes:**
 - Hold eye open and rinse slowly and gently with water for 15 – 20 minutes.
 - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
CAUTION

Harmful if swallowed. Harmful if absorbed through the skin. Harmful if inhaled. Causes eye injury. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Remove clothing and wash before reuse. Avoid contamination of feed and foodstuffs. Remove pets and birds, and cover fish aquarium. Do not use on puppies or kittens under 12 weeks. Consult a veterinarian before using this product on debilitated, aged, pregnant, nursing animals or animals on medication.

Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS, CATS, HORSES AND FOALS

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use this product in or on electrical equipment.

Shake Well Before Using

TO CONTROL FLEAS AND TICKS ON DOGS AND CATS (FOR 14 DAYS)

Applied As A Spray: Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is treated, including the legs and underbelly. Fluff the hair while spraying so that the spray will penetrate to the skin and thoroughly wet it. Do not spray into eyes or face. Avoid contact with genitalia.

Applied As A Dog Dip (not for use as a cat dip): Wet the dog with water before treatment. Sponge or pour on the dog until its fur and skin are thoroughly wet, making sure that the animal's entire body is treated, including the legs and underbelly. Do not treat the dog's face. Avoid contact with genitalia.

TO CONTROL FLEAS AND TICKS ON PREMISES

apply as a direct spray to control accessible stages of fleas and ticks. Spray to lightly dampen absorbent and non-absorbent surfaces, but do not allow runoff to occur. Thoroughly spray infested areas, pet beds and resting quarters, cracks and crevices, along baseboards, moldings and window and door frames as well as localized areas of floor and floor covering. Repeat as necessary.

HORSES

To control stable flies, horse flies, deer flies, and face flies: Apply to face, legs, flanks, top line and other body areas commonly attacked by these flies. Repeat treatment as needed.

FOR USE AS A WIPE

Apply liberally to a clean sponge, cloth or towel.

Horses & Foals: Avoid treatment of nursing foals. First, brush animal to remove excess dirt and dust. Rub wipe into face around mouth, nose, eyes, ears and areas where flies are often seen. Then wipe the neck, legs, shoulders, and shanks. Avoid using an excessive amount and do not wet skin. After application, brush thoroughly to bring out a bright sheen on the coat. Make sure spray has completely dried before covering with any tack. Repeat treatment as necessary.

Dogs & Cats: Cover pets eyes with hand. Wipe head, ears and chest until damp. Rub into face around mouth, nose, and eyes, avoiding direct contact with the eyes. For best penetration to the skin, direct wipe against the normal lay of the hair. Make sure wipe thoroughly wets ticks. Do not use on puppies and kittens. Repeat treatment as necessary.

TO CONTROL CRAWLING INSECTS

Apply as a direct spray to control accessible stages of crawling insects including, but not limited to, Cockroaches, Ants, Spiders, Silverfish, Sowbugs (Pillbugs), Centipedes, and Crickets. Spray to thoroughly wet exposed insects. Direct spray into hiding places, cracks and crevices, along baseboards and around door and window frames.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool, dry area. Keep in original container and preferably in a locked storage area inaccessible to children and pets.

Disposal: If Empty: Do not reuse this container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

IMPORTANT: Read these entire Directions and Conditions of Sale before using this product.
