Subject: Label Amendment: MOA  
Dursban Mole Cricket Bait  
EPA Reg. No. 769-680  
Submissions dated July 13, 2000, acceptable with comments.

Dear Mr. Clark:

The labeling referred to above submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with comments:

It should be noted that the product label marks the Net Weight at 50 pounds and it must be specified on form 8570-1, box 4.

1) You must add turf to golf course (turf).

A stamped copy "accepted with comments" of the label is enclosed for your records.

Please submit three (3) copies of the final printed before shipment. If you have any questions please call me at (703) 308-8328.

Sincerely yours,

A handwritten signature in black ink that reads "Akiva Abramovitch".

Akiva Abramovitch, Ph.D.

EPA Reg. No. 769-680  
EPA Est. Nos. 44616-MO-1 (H), 47427-OH-1(M), 11600-MN-1 (C)  
Letter within parenthesis corresponds to the first letter of Batch No. printed on container.

## KEEP OUT OF REACH OF CHILDREN CAUTION

See Back Panel for Additional Precautionary Statements

### FIRST AID

**If swallowed:** Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconsciousness person.

**If On Skin:** Wash with plenty of soap and water. Get medical attention of irritation persists.

**If In Eyes:** Flush with plenty of water for 5 minutes. Get medical attention if irritation persists.

**If Inhaled:** Remove to fresh air. Get medical attention.

**Note To Physician:** Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. If exposed, plasma and red blood cell cholinesterase tests may indicate significance of exposure (baseline data are useful). Atropine, only by injection, is the preferable antidote. Oximes, such as 2-PAM protopam, may be therapeutic, if used early; however, use only in conjunction with atropine in case of severe acute poisoning, use antidote immediately after establishing an open airway and respiration.

**PRECAUTIONARY STATEMENTS**  
**Hazards To Humans and Domestic Animals**  
**CAUTION**

May be harmful if swallowed. Do not take internally. Avoid eye and skin contact. Flush contaminated eyes with plenty of water and get medical attention if irritation persists. Wash thoroughly after handling. Wash contaminated clothing before reuse. Keep away from food, feedstuffs, and domestic water supplies. Keep children, pets, and unprotected persons out of treated areas until dusts have settled.

**ENVIRONMENTAL HAZARDS**

This product is toxic to birds, fish and other wildlife. For terrestrial uses, do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply where runoff is likely to occur. Use this product only as specified on this label.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes.

**GOLF COURSES**

For the control of Field Crickets and Mole Crickets: Apply at the rate of 150 lbs. per acre (3 1/2 lbs. per 1,000 sq. ft.). Scatter evenly over the area to be treated. Use a suitable mechanical spreader. Make application in the late afternoon.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage and disposal.  
**Storage:** Avoid storage at high temperatures. Protect from moisture. Avoid contamination with water, acids or alkalis. Keep container closed. Store in original containers only. Separate pesticides to avoid cross-contamination of other pesticides, fertilizer, food and feed. Keep container in locked storage areas.  
**Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of excess pesticides, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instruction, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.  
**Container Disposal:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

**IMPORTANT:** Read these entire Directions and Conditions of Sale before using this product. **DISCLAIMER:** SureCo warrants that this product conforms to the chemical description on the label and is reasonably fit for the specific purposes referred to in the Directions For Use, subject to the inherent risks referred to above.
