Ms. Stacy A. Schmidt  
SureCO, Inc.  
10012 N. Dale Mabry, Suite 221  
Tampa, FL 33618

Dear Ms. Schmidt:

Subject: Label Amendments in Response to Basic Suppliers  
Deletion of Certain DDVP Uses  
SMCP Dursban Plus Turf Insecticide  
Reg. No. 769-697  
Your Submission Date June 15, 1995

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped label is enclosed for your records.

1. Revise the Environmental Hazards paragraphs to read as follows:

This product is toxic to fish, birds and wildlife. Do not apply directly to any body of water. do not contaminate water when disposing of equipment washwaters. Do not apply when whether conditions favor drift from areas treated. This pesticide is highly toxic to bees exposed to direct treatment or to residues remaining on the treated areas. Do not apply when bees are actively visiting the crop, cover crop, or weeds blooming in the treatment area. Applications should be timed to provide the maximum possible interval between treatment and the next period of bee activity.

2. Following the first paragraph under Precautionary Statements add the following precautionary statements:

CONCURRENCES

**Chlorpyrifos [0,0-diethyl 0-(3,5,6-trichloro-2-pyridyl) phosphorothioate]	12.2%
***Dichlorvos (2,2-Dichlorovinyl dimethyl phosphate).....	3.0%
Related Compounds	0.2%
Inert Ingredients:	84.6%
Total	100.0%

\*Dursban is a trademark of DowElanco

\*\*Contains 1 lb. chlorpyrifos & 1/4 lb. \*\*\*Dichlorvos (DDVP) per gallon

KEEP OUT OF REACH OF CHILDREN  
WARNING

See Side Panel For Additional Precautionary Statements

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Call a physician or Poison Control Center immediately. If possible, vomiting should be induced under medical supervision. Drink one or two glasses of water and induce vomiting by touching the back of throat with a finger. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person.

If Inhaled: Remove victim to fresh air. Apply artificial respiration if indicated.

If On Skin: Remove contaminated clothing and wash affected areas with soap and water.

If In Eyes: Flush eyes with plenty of water. Call a physician immediately.

Note To Physician: Solvent presents aspiration hazard. Gastric lavage is indicated if material was taken internally. If symptoms of cholinesterase inhibition are present, atropine sulfate is antidotal. 2-PAM is also antidotal and may be administered in conjunction with atropine.

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under EPA Reg. No.

769-697

**PRECAUTIONARY STATEMENTS**  
**Hazards To Humans and Domestic Animals**  
**WARNING**

May be fatal if swallowed. May be absorbed through the skin. May be injurious to eyes and skin. Combustible. Do not take internally. Do not get in eyes or on skin. Wash thoroughly after handling. Was contaminated clothing before reuse. Avoid breathing vapors and spray mist. Avoid spraying food crops. Handle concentrate in a ventilated area.

Note To Physician: Chlorpyrifos and DDVP are cholinesterase inhibitors.

**ENVIRONMENTAL HAZARDS**

This product is highly toxic to bees exposed to direct treatment or residues on plants. Protective information may be obtained from your Cooperative Agricultural Extension Service. Dursban Plus also is toxic to fish, wildlife and birds. Do not contaminate water by cleaning of equipment or disposal of wastes. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated.

**PHYSICAL AND CHEMICAL HAZARDS**

Do not use, pour, spill or store near heat or open flame.

**HOW DURSBAN PLUS WORKS**

Dursban Plus contains chlorpyrifos and dichlorvos (DDVP) insecticides and a wetting agent specially formulated for the control of Chinch Bugs, and Sod Webworms in deep thatch or dry conditions. This product combines the excellent kill qualities of chlorpyrifos with a wetting agent to insure deep penetration. The vapor action of DDVP acts as a irritant causing increased insect activity. Dursban Plus reaches down deep into the thatch and drives the Chinch Bugs out.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Pests of Lawns and other Ornamental Recreational Turf Grass Areas: Use Dursban Plus insecticide to control Ants, Armyworms, Brown Dog Ticks, Chiggers, Chinch Bugs, Clover Mites, Crickets, Cutworms, Earwigs, Fleas, Grasshoppers and Sod Webworms (Lawn Moths). Mix Dursban Plus with water according to directions given in the following table and apply as a coarse, low pressure spray using suitable application equipment. For best results, the lawn should be moist at time of treatment, and care should be taken to

obtain complete and uniform coverage of pest infested areas. Spray when pests first appear, retreat when needed.

**Dosage and Dilution for Use on Turf**

<u>Area To be Treated</u>	<u>Amount of Dursban Plus Required</u>	<u>Dilute with Water to Give</u>
1,000 sq. ft.	3 fl. oz.	30 Gallons
5,000 sq. ft.	15 fl. oz.	150 Gallons
10,700 sq. ft.	2 Pints	325 Gallons
One Acre	1 Gallon	1300 Gallons

**NOTE:** To help prevent infestation of buildings by Ants, Crickets, Earwigs, Millipedes and Sowbugs (Pillbugs), treat a band of soil 6 to 10 feet wide around and adjacent to the building, also the building foundation to a height of 2 to 3 feet where pests are active and may find entrance. Use 10 fluid ounces per 100 gallons of water and apply as a coarse spray to thoroughly and uniformly wet the band.

**WARNING:** Keep children and pets off the treated areas until spray has dried. Keep out of lawn and garden fishpools and other bodies of water. Fish may be killed if their waters are contaminated with this product. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Avoid storage at high temperatures. Protect from moisture. Avoid flame. Keep container closed. Store in original containers only. Separate pesticides to avoid cross-contamination of other pesticides, fertilizer, food and feed. Keep container in locked storage areas.

If spilled, absorb with dry material such as sand and sawdust and sweep up for disposal.

**PESTICIDE DISPOSAL:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA regional Office for guidance.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, by incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

**IMPORTANT:** Read these entire Directions and Conditions of Sale before using this product. **DISCLAIMER:** SureCo warrants that this product conforms to the chemical description on the label and is reasonably fit for the specific purposes referred to in the Directions For Use, subject to the inherent risks referred to
