UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

SEP - 5 2007

Steven E. Rogosheske
Value Garden Supply
9100 Bloomington Freeway
Bloomington, MN 55431

Dear Mr. Rogosheske:

Subject: Labeling Amendment
SMCP 3.73% Pramitol Vegetation Killer
EPA Reg. No. 769-713
Submission dated August 7, 2007

The labeling, referred to above, submitted in connection with the application under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable provided you make the following changes:

Your product is formulated in the liquid form.

1. Heading"

- a. Add a statement on weight of prometon per gallon.
- b. Change EPA Est. "44616-MO-1" to "769-MO-1."

2. Under "Signal Word"

Change "Caution" to "Warning." Our record does not indicate that you have not submitted acute toxicity studies for review and acceptance. The labels of products which contain similar concentrations of prometon have assigned a signal word of "Warning." If you have acute toxicity studies to support the word "Caution," please submit them for review.

3. Under "Precautionary Statements";

Change "Causes moderate eye irritation" to "Cause substantial but temporarily eye irritation."

4. Add a section on "Personal Protective Equipment," and add the following requirements:

2/5

- Applicators and other handlers must wear chemical resistant gloves made of waterproof materials, long sleeved shirt and pants, protective eyewear, shoes and socks.
- Follow the manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

5. Under "Environmental Hazards";

Replace "by cleaning of equipment" with "equipment washwaters or rinsate."

6. Under "Directions for Use":

Add the following statements:

- Do not enter or allow others to enter the treated area until sprays have dried.
- Do not allow people or pets to touch treated plants until the sprays have dried.
- Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

The amended label supersedes all previously accepted labels. A stamped copy of the revised label is enclosed for your records. Please submit one copy of your final printed labeling before you release the product for shipment.

Sincerely yours,

Jim Tompkins

SMCP 3.73% PRAMITOL VEGETATION KILLER

For Non-Selective Weed Control around buildings, storage areas, fences, pumps, machinery, fuel tanks, recreational areas, roadways, residential areas, guard rails, airports, military installations, highway medians, pipelines, railroads, lumberyards, rights-of-way, and industrial sites (such as cross connects, pedestals, transformers, vaults, burred cable closures, telephone booths, and fire plugs).

ACTIVE INGREDIENTS:

Prometon: 2,4-bis (isopropylamino) 6-methoxy-s-trazine 3.73%

OTHER INGREDIENTS* 96.27%

TOTAL..... 100.00%

*Contains Petroleum Distillates

KEEP OUT OF REACH OF CHILDREN

CAUTION

FIRST AID

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advise.

If swallowed:

- Immediately call a poison control center or doctor for treatment advice.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give any liquid to the person.
- Do not give anything by mouth to an unconscious person.

If inhaled:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
- Call a poison control center or doctor for further treatment advise.

If on skin or clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for further treatment advise.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also call 1-800-858-7378 for medical emergency information.

Note to Physician: Contains Petroleum Distillates – vomiting may cause aspiration pneumonia.

See [side panel] [inside booklet] for additional Precautionary Statements and Use Directions.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Harmful if swallowed, inhaled or absorbed through the skin. Avoid contact with eyes, on skin or clothing. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS

Do not contaminate water used for irrigation or domestic purposes. Keep out of lakes, streams, or ponds. Do not use on slopes or in areas where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

PHYSICAL OR CHEMICAL HAZARDS

Do not use, pour, spill or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with the label.

SMCP 3.73% Pramitol Vegetation Killer is a non-selective herbicide with a fast acting double killing action. It kills by contact and by root absorption. It is recommended for killing existing weed and grasses and to prevent re-growth around buildings, storage areas, fences, pumps, machinery, fuel tanks, recreational areas, roadways, residential areas, guard rails, airports, military installations, highway medians, pipelines, railroads, lumberyards, rights-of-way, and industrial sites (such as cross connects, pedestals, transformers, vaults, burred cable closures, telephone booths, and fire plugs).

The following are a few common weeds and other vegetation that can be destroyed and regrowth prevented with the product: Oxalis, Crabgrass, Bermuda grass, Rye, Oats, Barley, Foxtail, Dog Fennel, Plantain, Spotted Spurge, Pigweed, Puncture Vine, Mustard, Watergrass, Green Ground Mold, Malva, Wild Turnip, Lambsquarters, and such hard to kill perennial weeds as Hoary Cress, Dandelion and Wild Morning Glory.

How To Apply: Uniformly spray one gallon of product in 10 gallons of water over 1,000 sq. ft. of soil surface. Thoroughly wet all foliage to insure contact action. Best results are obtained when applications are made during or after weed emergence while growth is succulent. Where vegetation is tall and dense, use 1 ½ gallons of this product in 10 gallons of water per 1,000 square feet of soil surface. Use a tank sprayer or sprinkling can. Although this product has considerable activity through foliar contact, much of its activity is through the roots and therefore, adequate rainfall to move the chemical into the root zone is necessary. If no rain has fallen, two days after applying water the treated area deeply to increase plant absorption.

Make only one application per year.

Care must be taken to keep this herbicide away from desirable flower beds, lawns and shrubs. Do not apply over roots of valuable trees or woody ornamental plants. Only apply herbicide outside the drip-line of trees. Avoid spray drift to desirable plants.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry area away from heat or open flame. Keep in original container and preferably in a locked storage area inaccessible to children and pets. Store at temperatures above 32° F.

CONTAINER DISPOSAL: If Empty: Do not reuse this container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

5/5

Note: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
