

~~BUG-BOT~~ B-GONE
INDUSTRIAL AND HOUSEHOLD RESIDUAL INSECTICIDE

KILLS: Ants, Brown Dog Ticks, Clover Mites, Cockroaches, Crickets, Earwigs, Fleas, Flies, Gnats, Millipedes, Mosquitoes, Saw-Toothed Grain Beetles (exposed stages), Scorpions, Silverfish, Sowbugs, Spiders and Waterbugs

ACTIVE INGREDIENTS:

Propoxur-2-(1-methylethoxy) phenol methylcarbamate..... 1.0%

INERT INGREDIENTS:..... 99.0%

TOTAL..... 100.0%

KEEP OUT OF REACH OF CHILDREN

CAUTION

SEE SIDE PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS

STATEMENT OF PRACTICAL TREATMENT

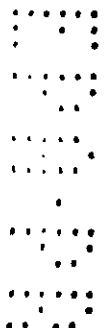

If swallowed: Call a physician immediately. Do not induce vomiting. Do not give anything by mouth to an unconscious person.

If inhaled: Remove victim to fresh air. Apply respiration if indicated.

If on skin: Wash affected areas with soap and water.

If in eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

ACCEPTED
AUG 18 1994
Under the Federal Insecticide,
Fungicide, and Rodenticide Act.

PRECAUTIONARY STATEMENTS
Hazards to Humans & Domestic Animals
KEEP OUT OF REACH OF CHILDREN
CAUTION

Harmful if swallowed or absorbed through the skin. DO not get in eyes, on skin or on clothing. In case of contact, wash immediately with soap and water. Wash hands, arms and face thoroughly with soap and water before eating or smoking. Wash all contaminated clothing with soap and water before reuse. In case of accidental poisoning, obtain prompt medical aid.

NOTE TO PHYSICIAN: Atropine sulfate is antidotal. Provide adequate ventilation of area being treated. Do not allow children to contact treated areas until surfaces are thoroughly dry. Do not contaminate food-handling equipment or food contact surfaces. Do not contaminate food. Do not use as a space spray.

KEEP OUT OF REACH OF DOMESTIC ANIMALS

Do not contaminate feed. Do not use on household pets or livestock. Remove pets and cover fish aquaria before spraying. Do not use on plants.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of equipment washwaters.

PHYSICAL AND CHEMICAL HAZARDS

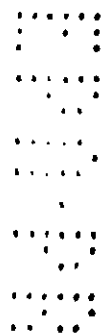

Combustible: Do not use, pour, spill or store near heat or open flame. Do not apply to rugs, carpets, draperies, wallpaper or similar materials that may be stained. Avoid excessive wetting of plastic, rubber and asphalt surfaces such as tiles and floor coverings.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal. STORAGE: Avoid storage at high temperatures. Protect from moisture. Avoid contamination with water, acids or alkalies. Do not store near heat or open flame. Keep container closed. Store in original containers only. Separate pesticides to avoid cross-contamination of other pesticides, fertilizer, food and feed. Keep container in locked storage area. If spilled, absorb with dry material such as sand or sawdust and sweep up for disposal.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinseate is a violation of Federal law. If the wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: a) Metal - Triple rinse (or equivalent) and

offer for recycling or reconditioning or dispose of in a sanitary landfill or by other approved State and Local procedures; b) Plastic - Triple rinse (or equivalent) and offer for recycling or reconditioning or dispose of in a sanitary landfill or by incineration if permitted by State and Local authorities.

GENERAL INFORMATION

This product must be applied using a compressed air sprayer. Do not apply this product using a trigger pump sprayer. Spray surfaces only until coated with a dew-like mist. Avoid run-off. Apply to all insect breeding sites and harborages. Also treat adjacent exposed surfaces where insects may crawl when they come out of hiding. Repeat treatment as necessary.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Apply this product only as specified on this label.

Applications of this product in the food areas of food-handling establishments other than as a crack and crevice treatment are not permitted.

FOOD-HANDLING ESTABLISHMENTS: Places other than private residences in which exposed food is held, processed, prepared or served. Food areas: Application limited to crack and crevice treatment only. Includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing), preparing edible waste storage and enclosed processing systems (mills, dairies, edible oils, syrups). Serving areas when food is exposed and facility is in operation (also would be considered a food area). Apply in small amounts directly into cracks and crevices using equipment capable of delivering a pinstream of insecticide, where Roaches, Waterbugs and Silverfish hide; in points between different elements of construction; between equipment and floors; open-motor housing, junction or switch boxes. Prior to application, de-energize electrical equipment. After application, allow time for oil to evaporate before starting motors or placing switches in the ON position.

Aids in the control of Pantry Pests (exposed stages of Saw-Toothed Grain Beetle, Flour Beetle, Rice Weevil, Cigarette Beetle, and Indian Meal Moth) which come in contact with treated surfaces. Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food-processing surfaces.

SERVING AREAS: Facilities where prepared food is served, such as dining rooms, but excluding areas where foods may be prepared or held. Apply as a spot treatment to selective surfaces such as baseboards, under elements of construction and into cracks and crevices. Avoid treating surfaces likely to be contacted by food. (Do not apply when facility is in operation or foods are exposed.)

NON-FOOD AREAS: Includes garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garbages, mop closets and storage (after canning or bottling). Apply as a spot treatment to baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where insects hide or through which they may enter.

LOCATIONS OTHER THAN FOOD-HANDLING ESTABLISHMENTS:

COCKROACHES: Thoroughly treat infested area. Spray baseboards, cracks and crevices; around windows and door frames; the under surfaces of shelves, drawers and work tables; behind and under cabinets, refrigerators, sinks, and stoves; in and around waste containers, switch panels, junction boxes, floor drains and other places where Cockroaches hide or rest.

ANTS: Apply to trails and places where Ants enter premises such as window frames and door frames. Also spray ant hills and runways out-of-doors.

SILVERFISH: Apply to localized areas infested by these insects.

BROWN DOG TICKS: Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks and local areas of floors. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. Do not spray animals.

CLOVER MITES, CRICKETS, EARWIGS, MILLIPEDES, SOWBUGS, SCORPIONS AND SPIDERS: Thoroughly spray interior and exterior perimeter of the infested premises. For Clover Mites, give special attention to window frames.

FLEAS, FLIES, GNATS AND MOSQUITOES (OUTDOORS ONLY): Spray infested areas thoroughly outside. Treat outside surfaces of screens, doors, window frames, foundations, patios and other areas where insects may enter.

INSECT CONTROL IN RESEARCH FACILITIES: The use of this product in and around research animal quarters for insect control will not induce changes in liver microsomal enzyme activity in these animals.

IMPORTANT: Read these entire Directions and Conditions of Sale before using this product.

DISCLAIMER: SureCo warrants that this product conforms to the chemical description on the label and is reasonably fit for the specific purposes referred to in the Directions for Use, subject to the inherent risks referred to above. SureCo makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. In no case shall SureCo be liable for consequential, special, or indirect damages resulting from the use or handling or application of this product.
