Attention: Mr. Stacy A. Schmidt

Subject: Science Red Arrow Insect Spray
EPA Registration No. 769-857
Your amended application of October 17, 1995

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable provided that you make the following changes and submit one (1) copy to us before your ship product:

1. Change "Statement of Practical Treatment" to "FIRST AID".
2. Change the ENVIRONMENTAL HAZARDS section to read

This product is extremely toxic to fish. Do not apply directly to water. Runoff and drift from treated areas may be hazardous to aquatic organisms in adjacent sites. Do not contaminate water when disposing of equipment washwaters.

2. Revise the beginning of your use directions as follows:

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Not for use on plants being grown for sale or other commercial use, or for commercial seed production, or for research purposes. For use on plants intended for aesthetic purposes or climatic modification and being grown in interior landscapes, ornamental gardens or lawns and grounds.

Directions ... per acre.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Robert A. Forrest
Product Manager (14)

PRECAUTIONARY STATEMENTS
Hazards To Humans and Domestic Animals
Warning

May be fatal if swallowed. Avoid contact with eyes, skin or clothing. Avoid breathing vapors or spray mist. Wash thoroughly after handling. Wash hands, face and arms with soap and water before eating and smoking. Wear gloves and long-sleeved work clothing. Change to clean clothing daily. Wash all clothing with soap and water before reuse. Keep children and pets out of treated area until spray dries. Do not contaminate food or feed. Food utensils such as teaspoons or tablespoons should not be used for food purposes after use in measuring this product.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters. Do not apply when weather conditions favor drift from areas treated.

PHYSICAL AND CHEMICAL HAZARDS

Do not use or store near heat or open flame. Keep container closed and store in a cool place.

STORAGE AND DISPOSAL

Storage: Store in tightly closed, original container in a locked area away from children and domestic animals.

Disposal: Securely wrap original container in several layers of newspaper and discard in trash. Do not reuse empty container.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Directions: Agitate while using.

Foliar Spray: Mix 1 Tablespoonful (1/2 fl. oz.) of Red Arrow Insect Spray in each gallon of water for a general insect spray on Flowers, Shade Trees and Ornamentals around Homes, Estates, Parks, and Institutions. When insects appear, direct spray to hit as many as possible and to thoroughly cover all plant surfaces, particularly the undersides of leaves. Repeat at weekly intervals or as necessary.

List of Insects Controlled: Aphids, Leafhoppers, Exposed Thrips, Adult Japanese Beetles and Mites such as European Red Mites, Two-Spotted Mites, and Clover Mites on Flowers, Shade Trees and Ornamentals.

Mealy Bug and Whitefly on potted and greenhouse plants. Rose

Chafer, Midge and Slug on Roses, Cankerworm and Lace Bug on Ornamentals.

Patio Spray: To reduce the annoyance of Mosquitoes and Gnats on Patios around the home grounds and in other recreational areas, apply a solution of 6 tablespoons (3 fl. oz.) of Red Arrow Insect Spray in each gallon of water. Use a fine mist to penetrate hiding and resting places such as grass, shrubs and ornamentals. Treat as large an area as possible surrounding the patio or grounds to be kept mosquito and gnat free. Repeat application as necessary. Apply at a rate of 2 pints of Red Arrow Insect Spray per acre.

IMPORTANT: Read these entire Directions and Conditions of Sale before using this product. DISCLAIMER: SureCo warrants that this product conforms to the chemical description on the label and is reasonably fit for the specific purposes referred to in the Directions For Use, subject to the inherent risks referred to above. SureCo makes no other express or implied warranty of fitness or merchantability nor any other express or implied warranty. In no case shall SureCo be liable for consequential, special, or indirect damages resulting from the use, handling or application of this product.
