Stacy A. Schmidt
SureCo
310 Martin Luther King Jr. Dr.
Fort Valley, GA 31030

Dear Ms. Schmidt:

Subject: Warner House & garden Insect Spray
EPA Registration No. 769-937
Letter dated April 11, 1994

The proposed amendment to the registration of the product cited above under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended bringing the product into compliance with PR Notice 93-3 is acceptable subject to the comments listed below. A stamped copy of the draft label is enclosed for your records.

- 1) In the Statement Of Practical Treatment for eyes, change the statement, "Flush eyes with water for 10-15 minutes." to read " Flush eyes with plenty of water.".
- 2) Add a Disposal Statement to the label.
- 3) The following statement must appear on the label. Refer to PR Notice 92-3:

" WARNING: Contains 1,1,1-trichloroethane, a substance which harms public health and the environment by destroying ozone in the upper atmosphere.".

Submit five(5) copies of the final printed labeling.

Sincerely,

Robert S. Brennis
Acting Product Manager 10
Insecticide & Rodenticide Branch
Registration Division (7505C)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS: CAUTION--Harmful if inhaled. Avoid contact with eyes and skin. Do not spray near or toward an open flame. Avoid contamination of feed and foodstuffs.

If used in food processing plants or commercial food preparation areas, foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment and thoroughly washed with an effective cleaning compound followed by a potable water rinse before using. Apply only when facility is not in operation.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water.

PHYSICAL OR CHEMICAL HAZARDS

Flammable! Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

DIRECTIONS

Hold container upright, nozzle away from you. Press valve down and spray as directed.

FOR THE CONTROL OF HOUSEHOLD INSECTS

To control HOUSE FLIES, MOSQUITOES, SMALL FLYING MOTHS, GNATS or WASPS: Shut doors and windows and spray room at the rate of 5 to 6 seconds per 1000 cubic feet. Remove pets, birds and cover fish aquariums before spraying. Keep room closed for at least 10 minutes after spraying. Do not remain in treated areas and ventilate the areas after treatment is completed. Sweep up and destroy fallen insects.

To kill ROACHES and SILVERFISH: Spray directly into cracks, crevices and other secluded places. Direct spray at insects when they appear. An average size kitchen requires 65 to 75 seconds of spraying. To kill ANTS: Spray directly on insects and ant trails and other places where ants congregate. Repeat treatment as necessary.

FOR THE CONTROL OF GARDEN INSECTS

For use on roses, dahlias, asters and other ornamentals to kill JAPANESE BEETLES, hit by the spray, as well as APHIDS, exposed THRIPS and SPIDER MITES.

May be used on plants, as a multi-purpose spray in small gardens and for spot treatment of incipient insect infestations to prevent spreading in large garden areas.

May also be used on African violets, asters, azaleas, begonias, camellias, carnations, chrysanthemums, dahlias, celphinums, dogwood, English ivy, euonymus, fuschia, geraniums, crassula, grape vine, Kentia palm, laurel, marigolds, rhododendrons, roses, rubber plants, snapdragons, flocks, wandering Jew and zinnias.

Effective when used as directed against APHIDS, SPIDER MITES, exposed THRIPS, LACE BUGS, JAPANESE BEETLES, pavement ANTS, CLOVER MITES and ARMY WORMS when occurring on the above listed plants.

BEST AVAILABLE COPY

When spraying plants, do not operate closer than 18 inches. Use sweeping motion. Spray in one-second bursts. Do not wet foliage or blossoms.

LIMITED WARRANTY: Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
