FIRST AID

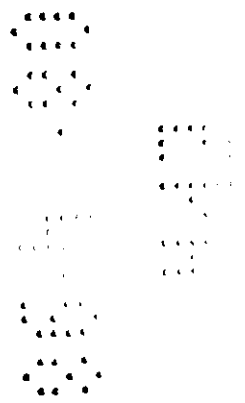

If On Skin: Wash with plenty of soap and water. Get medical attention.

Net Content: One Gallon

Manufactured By:
SureCo, Inc.
Fort Valley, GA 31030

ACCEPTED
AUG 21 1998

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 769-945

PRECAUTIONARY STATEMENTS
Hazards To Humans and Domestic Animals
CAUTION

Harmful if absorbed through the skin. Avoid contact with skin, eyes or clothing.

USER SAFETY RECOMMENDATIONS:

- Clothing and personal protective equipment exposed to this product should be washed in detergent and hot water. Such items should be kept and washed separately from other laundry.

Users Should:

- Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Remove clothing immediately if pesticide gets inside, then wash thoroughly and put on clean clothing.
- Remove Personal Protective Equipment immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

This product is toxic to aquatic invertebrates. Do not apply directly to water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not use this product through any type of irrigation system. This product is only for use around the outside of homes.

General Information: This product is a Ready To Use effective general weed killer which provides control of annual weeds and grasses. It gives effective top kill of troublesome perennial broadleaf weeds. Grasses and weeds will begin to wilt after 8 hours with complete death (of most weeds), within 1-3 days; at which time treated areas may be re-seeded. Apply as directed to kill unwanted vegetation around trees, shrubs, walks, drives, curbs, gutters, fences and patios. Difficult to control weeds such as Bermudagrass and Dallisgrass may require more than one application to give complete control. Will not stain gravel or paved areas. Use to keep weed and grasses from creeping into unwanted areas.

When to apply: Apply anytime unwanted vegetation is actively growing. For fastest results, apply in full sun when temperature is above 60° F. Do not allow spray to contact or drift to desirable foliage. Respray perennial weeds when green reappears.

THE FOLLOWING TWO (2) PARAGRAPHS WILL BE USED ON THE LABEL OF PRODUCT SOLD WITH A SPRINKLE TOP APPLICATOR

How to apply: Remove cap from jug and check applicator head to make certain that it is firmly attached to jug. Invert jug and apply product to thoroughly cover unwanted weeds and grasses. The width of the sprinkle pattern may be adjusted by either raising or lowering height of jug from the treatment area. For controlling weeds and grasses around trees, shrubs, and buildings and edging

around lawns, fences, walks, and drives, hold jug 2-6 inches above area to be treated. Adjust jug for desired width of coverage.

ENTRY RESTRICTIONS: Do not allow people or pets to touch treated plants until the sprays have dried.

APPLICATION RESTRICTIONS: Do not apply this product in a way that will contact any person or pet, either directly or through drift. Only persons applying this product may be in the area during application.

THE FOLLOWING PARAGRAPH WILL BE USED ON THE LABEL OF PRODUCT SOLD WITH A TRIGGER SPRAYER.

How To Apply: Apply with the trigger sprayer. Spray nozzle should be adjusted to allow a course spray pattern. Spray areas occupied by unwanted vegetation. Stand close (1-2 feet), with nozzle aimed at weed or grass and away from face. Spray thoroughly to wet undesirable vegetation.

Important: Do not allow this product to contact or drift onto desirable vegetation. Do not apply during windy weather. Make sure mist does not contact leaves, green bark, bud crowns or broken bark on trees or other desirable plants. Should contact occur, wash off immediately with water. Do not track from treated to untreated areas. **ENTRY RESTRICTIONS:** Do not allow people or pets to touch treated plants until the sprays have dried.

APPLICATION RESTRICTIONS: Do not apply this product in a way that will contact any person or pet, either directly or through drift. Only persons applying this product may be in the area during application.

STORAGE AND DISPOSAL

Storage: Keep this product in original container. Store in a locked storage area inaccessible to children and pets.

Disposal: Do not reuse empty container. Wrap container in several layers of newspaper and discard in trash.

IMPORTANT: Read these entire Directions and Conditions of Sale before using this product.

DISCLAIMER: SureCo warrants that this product conforms to the chemical description on the label and is reasonably fit for the specific purposes referred to in the Directions For Use, subject to the inherent risks referred to above. SureCo makes no other express or implied warranty of fitness or merchantability nor any other express or implied warranty. In no case shall SureCo be liable for consequential, special, or indirect damages resulting from the use, handling or application of this product.

NOTICE: Buyer assumes all risks of use, storage, or handling of this material not in strict accordance with directions given herewith.
