Office of Pesticide Programs  
Registration Division (H7505C)  
401 "M" St., S.W.  
Washington, D.C. 20460

EPA Reg. Number:  
769-978

Date of Issuance:  
**AUG 6 2003**

NOTICE OF PESTICIDE:  
  X   Registration  
       Reregistration

Term of Issuance:  
Conditional

Name of Pesticide Product:  
AllPro Baricide SPS Pelleted  
Herbicide

under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Value Garden Supply, LCC  
St. Joseph, MO 64502

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product when the Agency requires all registrants of similar products to submit such data .

2. Make the following changes to your label:

a. Add the following text immediately after the ENVIRONMENTAL HAZARDS section:

PHYSICAL OR CHEMICAL HAZARDS

Oxidizer - Contact with other material may cause fire. Keep from contact with clothing and other combustible materials. Keep from contact with sparks, impact, abrasion or any other sources of heat. Do not store near combustible materials. Store in original, tightly closed container. Do not repackage in any other container. Wash thoroughly after handling. Avoid contamination of feed and foodstuffs. In case of fire, soak with water. In case of spill, flush spill are with water spray.

b. In the second sentence of the ENVIRONMENTAL HAZARDS section, change "when disposing" to "when cleaning equipment or disposing".

Signature of Approving Official:

Date:

8-5-03

page 2  
EPA Reg. No. 769-978

- c. In the "Precautions" section, specify the maximum rate per application and per year.
  - d. Enclose the STORAGE AND DISPOSAL section in a box.
3. Change the registration number on the label to 769-978.
  4. Submit one copy of the final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

If you have any questions about this letter, please contact Tobi Colvin-Snyder at 703-305-7801.

## PELLETED HERBICIDE

### For Total Vegetation Control Of Weeds In Noncrop Areas

Bare ground weed control around buildings, storage areas, fences, pumps, machinery, fuel tanks, recreational areas, roadways, guard rails, airort, military installations, highway medians, pipelines, railroads, lumberyards, right-of-way, industrial site (including but not limited to cross connects, pedestals, transformers, vaults, buried cable closures, telephone booths, fire plugs), and similar areas.....

**2 lbs. treats up to 570 sq. ft.**

ACTIVE INGREDIENTS:	% by wt.
Prometon: 2, 4-bis (isopropylamino)-6-methoxy-s-triazine .....	5.00%
Simazine: 2-chlor-4,6-biz (ethylamino) -s-triazine .....	0.76%
Sodium chlorate (NaClO <sub>3</sub> ) .....	39.80%
Sodium metaborate* (Na <sub>2</sub> B <sub>2</sub> O <sub>4</sub> ) .....	40.00%
<b>INERT INGREDIENTS:</b> .....	<b>14.44%</b>
<b>TOTAL</b> .....	<b>100.00%</b>

\*Equivalent to 4.87% boron expressed as elemental boron

EPA Reg. No. 769-XX EPA Est. No.

**KEEP OUT OF REACH OF CHILDREN**  
**WARNING**  
 NET WEIGHT 25 POUNDS

**FIRST AID**

**IF SWALLOWED:**

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

**IF IN EYES:**

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

**IF ON SKIN OR CLOTHING:**

- Call a poison control center or doctor for treatment advice.
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

**IF INHALED:**

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

**Have the product container or label with you when calling a poison control center or doctor or going for treatment.**

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage. Treat for circulatory shock, respiratory depression, and convulsions, if needed.

PESTS	RATE	COMMENTS
Annual broadleaf weeds and grasses	0.35-0.46 lb./100 sq. ft. (equivalent to 152-200 lbs./acre)	The higher rates listed should be used in areas having a long growing season or high rainfall.
Most perennial broadleaf weeds and grasses	0.70-0.92 lb./100 sq. ft. (equivalent to 304-400 lbs./acre)	The higher rates will also provide longer residual control.

- Precautions:**
1. Feeder roots of desirable plants often extend far beyond the drip line of the branches. Do not apply this product or drain or flush application equipment in locations where the chemical may come into contact with root zones of desirable trees, shrubs, or plants or injury may occur.
  2. Do not use on land to be cropped.
  3. Do not use for weed control in greenhouses.
  4. Wash out equipment after application. Dispose of rinsate as indicated under **STORAGE AND DISPOSAL** section of this label. Do not use equipment to apply other pesticides or fertilizers.

**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**  
**WARNING**

Causes substantial but temporary eye injury. Harmful if swallowed, or absorbed through skin. Do not get in eyes or on clothing. Avoid contact with skin. Avoid breathing dust. Wear protective eyewear (goggles, face shield, or safety glasses). Wash thoroughly with soap and water after handling. Remove and wash contaminated clothing and reuse.

**ENVIRONMENTAL HAZARDS**

Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

Simazine is a chemical, which can travel (seep or leach) through soil and enter ground water which may be used as drinking water. Simazine has been found in ground water as a result of its use as a herbicide. Users of this product are advised not to apply simazine where the water table (ground water) is close to the surface and where the soils are very permeable, i.e., well-drained soils such as loamy sands. Users are advised to consult with their local agricultural agencies to obtain information on the location of ground water and the type of soil in their area.

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**GENERAL INFORMATION**

**Baracide 5PS** is a nonselective herbicide that can be applied before or after plant growth begins. Since **Baracide 5PS** enters plants through their roots, its effectiveness is dependent on rainfall to move the chemical into the root zone. Very dry soil conditions and lack of rainfall may result in poor weed control.

**Important:** Use only in areas where complete control of all vegetation is desired such as industrial sites, rights-of-way, lumberyards, petroleum tank farms, around farm buildings, along fence lines, and similar areas. When applied to the soil, this product is intended to inhibit all plant growth for a year or more.

Following many years of continuous use of this product and chemically related products, biotypes of some of the weeds listed on this label have been reported which cannot be effectively controlled by this and related herbicides. Where this is known or suspected, we recommend the use of this product in combination with other registered herbicides which are not triazines. Consult with your State Agricultural Extension Service for specific recommendations.

ACCEPTED  
 with COMMENTS  
 In EPA Letter Dated  
**AUG 6 2003**

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

769-978

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal. **PESTICIDE STORAGE:** Store in a dry place.

**PESTICIDE DISPOSAL:** Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill, or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

For minor spills, leaks, etc. Follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during clean up procedures and disposal of wastes. In the event of a major spill, fire, or other Emergency, contact 1-800-535-5053 (INFOTRAC), day or night.

**IMPORTANT:** Read these entire directions and conditions of sale before using this product. **WARRANTY STATEMENT:** Seller warrants that the product conforms to its chemical description and it reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions or under abnormal conditions or under conditions not reasonably foreseeable to seller.

**DISCLAIMER:** Buyer assumes all responsibility for safety and use not in accordance with label directions. For information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Information Center at 1-800-858-7378.
