Insecticide Ear Tags

DOUBLE BARREL

VP

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes or clothing. Wear rubber or nonpermeable protective gloves when applying or removing tags. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Certain individuals are known to have a special sensitivity to some pyrethroid insecticides. Such individuals on contact with the insecticide may experience a "tingling or burning" sensation around the face, arms, armpits and/or groin. If such sensitivity occurs, wash the affected area with mild soap and water, and to relieve the sensation apply a thin layer of an oil based ointment. The sensation generally dissipates within 18-24 hours, if not, call a physician.

NOTE TO PHYSICIAN: This product contains a cholinesterase inhibitor. If symptoms of cholinesterase inhibition are present, atropine sulfate by injection is antidotal.

ENVIRONMENTAL HAZARDS
This product is toxic to fish. Do not add directly to water. Do not contaminate water by disposal of used tags. Use the product only as specified on the label.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This labeling must be in the possession of the user at the time of pesticide application.

FIGURE 1
Place male button onto pen until it projects through the lip.

FIGURE 2
Dip tag button into disinfectant solution.

FIGURE 3
Pry female tag under the clip by depressing lever.

FIGURE 4
Apply through ear between second and third ribs, halfway between ear tip and head.

DIRECTIONS FOR USE (continued)
For optimum control and to minimize development of insect resistance, use two tags per animal (one in each ear). All animals in the herd should be tagged. Apply when flies first appear in spring. Replace as necessary. Apply with Allflex® Tagging System. Tags remain effective up to five months. Remove tags in fall.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool place away from direct sunlight. Opened pouches containing ear tags should be resealed for storage.

Pesticide Disposal: Remove tags before slaughter. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Dispose of empty bag in a sanitary landfill or by incineration or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

NOTICE OF WARRANTY
SCHERING-PLOUGH ANIMAL HEALTH CORP. MAKES NO WARRANTY OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, OR OTHERWISE EXPRESSED OR IMPLIED CONCERNING THIS PRODUCT OR ITS USES WHICH EXTEND BEYOND THE USE OF THIS PRODUCT UNDER NORMAL CONDITIONS AND IN ACCORD WITH THE STATEMENTS ON THIS LABEL.
