 <p>U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (H7505C) 401 M St., S.W. Washington, D.C. 20460</p> <p>NOTICE OF PESTICIDE Registration</p> <p>(under FIFRA, as amended)</p>	EPA Reg. Number: 773-90	Date of Issuance: JUL 16 2002
	Term of Issuance: Conditional Registration	
	Name of Pesticide Product: MNDA SCH-51551	
Name and Address of Registrant (include ZIP Code): Schering-Plough Animal Health Corporation 1095 Morris Avenue Union, NJ 07083		
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p> <p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p>		

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, EPA Reg. No. 773-90
 - b. The Agency's Label Review Manual (LRM) stipulates that the labeling of the technical/manufacturing use product must fit the basic label format, but will also include a statement such as "For Manufacturing Use Only" and a listing of the use/sites for end-use products (EP)s to be formulated from the Manufacturing Use Product (MP). One of the following statements may be added to an MP label under "Directions for Use" to permit the reformulation of the product for a specific use or all additional uses supported by a formulator, or a user group. Each time a new use is added to an EP label, the technical or MP label should be amended to add that same new use.

Therefore, under the product name, either:

- A. replace the statement "For use in the Formulation of End-Use Products accepted by the United States EPA." with "**For Use in The Formulation of Multi-Purpose Cleaner/Insect Repellent Products.**" or,
- B. in accordance with the Agency LRM, move the statement to follow the sentence "For Manufacturing-use only." within the Directions for Use.

Signature of Approving Official:	Date:
----------------------------------	-------

3. Submit three copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Joseph Tavano
Acting Product Manager 10
Insecticide Branch
Registration Division (7505C)
