

**DEEP CLEAN
THE EASY WAY!**

Use Lysol to disinfect and deodorize bathroom fixtures, toilet bowl, porcelain, linoleum, tiles, wipe down walls, woodwork. Deodorize drains in kitchen sink, bathroom basin and shower.

IN THE NURSERY:
Clean the baby's room, toys, crib and highchair. Rinse with water. Clean out diaper pails with the recommended Lysol dilution to kill germs that cause odors.

IN THE LAUNDRY:
After filling the washer with water, add one cup of Lysol to each washer load to sanitize your wash. Significantly reduce
