Lysol DEODORIZING
BRAND DISINFECTANT **CLEANER**

cleans, disinfects, deodorizes

Prevents Mold & Mildew and the odors they cause. Kills dangerous STAPH and STREP GERMS, INFLUENZA VIRUS A, ATHLETE'S FOOT FUNGUS, & HOUSEHOLD GERMS on environmental surfaces in homes and commercial areas.

For general cleaning, disinfecting, and mildew prevention.

Walls, Woodwork, Floors, Tile, Enamel, Porcelain, Boat & Automobile
Kitchen, Garbage Cans, Bathroom, Diaper Pails, Exterior, Pet Areas
Finished Wood Surfaces in Closets, Storage Areas, Cellars and Garages
all hard, nonporous surfaces

Directions: Use 1/4 cup in half a pail of warm water (1 gallon). Wipe or mop to wet surfaces thoroughly. Rinse food preparation areas with water. For sensitive skin, use rubber gloves.

For disinfecting of toilet bowls: Use 1 1/2 ozs. of full strength in bowl.

To Prevent Mold and Mildew: Repeat application when necessary.

For tough cleaning jobs: Use full strength (wear rubber gloves) on lipstick, scuff marks, tar, gum, oil, hard grease, whitewall tires and then rinse.

This product contains phosphates analyzed as 1.99% of phosphorous which is equivalent to 1.1 grams or when analyzed as trisodium phosphate, 6 grams per 1/4 cup usage level.

CAUTION: Avoid getting concentrate in eyes or on skin. Concentrate may be harmful if swallowed. Avoid contamination of food. Rinse empty container with water and discard it.

FIRST AID: In case of accidental contact immediately flush eyes with large amount of water for at least 15 minutes and call physician. If accidentally swallowed, drink promptly a large quantity of water and call physician. Flush skin with water.

Lysol Brand Disinfectant Deodorizing Cleaner is germicidal when used as directed for disinfection but differs in composition from other Lysol Brand Products
