BACK LABEL:

Liquid disinfectant
TOILET BOWL CLEANER

Will not harm septic tanks.

Cleans and deodorizes. Kills household germs
including staph in bathroom bowl. Leaves
bathroom smelling fresher and cleaner.

Directions: It is a violation of Federal law to use this product in a manner
inconsistent with its labeling.

To Open Child Resistant Cap: Hold cap firmly with one hand. DO NOT
SQUEEZE BOTTLE. With other hand, use thumb nail or edge of coin to
push rearward ridge on blue spout towards back of cap. Lift spout to full
upright position. After opening cap, point the top of the bottle down into
the bowl. Squeeze gently in order to determine the direction of the spray.
To Disinfect and Clean: Direct 4 oz. of powerful undiluted spray on the
side of the bowl and under the rim, letting it run down into the water.
Brush entire bowl, especially under the rim, the hard water ring and
below the water line.

For hard to remove stains: Squirt generous amount of Lysol Toilet
Bowl Cleaner directly on stains. Let soak for 15 minutes before brush-
ing. Do not close toilet lid. Close cap securely after each use. Rinse
brush before putting away. Will not harm white or colored bowls. Will not
harm plumbing. Lysol Toilet Bowl Cleaner has been specially formulated
for use only in toilet bowls; it should not be used or placed on toilet lids,
venties, sinks, bathtubs, rugs, etc. Do not use with chlorine bleach or
any other chemical products. Lysol Brand disinfectant Toilet Bowl
Cleaner contains no phosphates and is germicidal when used as di-
rected but differs in composition from other Lysol Brand Products.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

Danger: Corrosive — produces chemical burns. Contains Hydrochloric
Acid. Do not get in eyes, on skin, or on clothing. May be fatal or harm-
ful if swallowed. Do not breathe vapor or fumes. Keep out of reach of children.
First Aid: If swallowed, do not induce vomiting. Call a physician immedi-
ately. Drink large quantities of milk or water, followed by several table-
spoonfuls of milk of magnesia or egg whites.

Never give anything by mouth to an un-
conscious person. If in Eyes, flush with large
amounts of water and get prompt medical at-
tention. If on Skin, wash thoroughly with soap
and large quantities of water. Then cover with
moist magnesia or baking soda.

Storage: Store in original container in area
inaccessible to small children. Keep securely
closed away from heat or open flame in a well-
ventilated area away from food or feed. Fumes
are corrosive to metal.

Disposal: Do not reuse empty container.
Rinse thoroughly with water and detergent.
Discard in regular trash collection.
