disinfectant
BASIN/TUB/TILE CLEANER
Removes mold and mildew stains and odor and controls their growth. Repeat application as necessary to maintain control.

Lysol
BRAND
disinfectant

Lysol
disinfectant
BASIN/TUB/TILE CLEANER
For easy cleaning and surface disinfection. Just spray on ... after a few seconds wipe off. No scrubbing or rinsing. Shines without polishing. Never leaves a gritty residue.
Spray as directed to remove mold and mildew stains on shower curtains, shower stalls and on most finished surfaces in boat and car interiors, basement, laundry room and other damp and musty places.

Kills influenza virus type A2, dangerous staph and strep germs and athlete's foot fungus on household surfaces.

Fast! Easy! Effective!

Use Lysol Basin/Tub/Tile Cleaner throughout the home. To kill household germs and eliminate the odors they cause, use in baby's room, baby's crib, in diaper pails, sick rooms, pet areas. Recommended for kitchen cabinets, drainboards, counters, garbage pails.

BASIN/TUB/TILE cleaner

For bathroom cleaning

1. Dissolves bathtub ring. Removes dirt, stains and soap film from bathroom, tub and basin. Leaves everything clean and bright.
2. Shines chrome, tile without polishing.

Lysol Basin/Tub/Tile Cleaner cleans and disinfects many washable surfaces throughout the home. Recommended for the cleaning of vinyl upholstery, painted woodwork, floors, stairs, automobile interiors and whitewalls.

DIRECTIONS FOR USE:

1. Shake well before use. Hold can 6 to 8 inches from surface to be cleaned. Press button and spray evenly over entire surface.
2. After a few seconds wipe off with a damp cloth or sponge. No rinsing necessary.
3. For best results, spray a fresh film of cleaner over entire surface before each use.
