Lysol DEODORIZING
BRAND DISINFECTANT **CLEANER II**

cleans, disinfects, deodorizes

Prevents Mold and Mildew and the odors they cause.
Kills dangerous STAPH and STREP GERMS, INFLUENZA
VIRUS A, and HOUSEHOLD GERMS on environmental sur-
faces in homes and commercial areas.

For general cleaning, disinfecting, and mildew control
Walls, Woodwork, Floors Tile, Enamel, Porcelain Boat & Automobile
Kitchen, Garbage Cans Bathroom, Diaper Pails Exteriors, Pet Areas
Finished Wood Surfaces in Closets, Storage Areas, Cellars and Garages
all hard, nonporous surfaces

Directions: Use 1/4 cup in half a pail of warm water (1 gallon). Wipe or mop to wet surfaces thoroughly. Rinse food preparation areas with water. For sensitive skin, use rubber gloves.
For disinfecting of toilet bowls: Use 1 1/2 ozs. (3 Tablespoons) of full strength in bowl.
To Prevent Mold and Mildew: repeat application when necessary.
For tough cleaning jobs: Use full strength (wear rubber gloves) on lipstick, scuff marks, tar, gum, oil, hard grease, whitewall tires and then rinse.

**The first true Deodorizing Cleaner -
Makes your kitchen smell as clean as it looks**

This product contains no phosphorous or phosphates.
WARNING: Avoid contact with eyes. Causes eye irritation. May be harmful if swallowed. Avoid contamination of food. Rinse empty container with water and discard it.

FIRST AID: In case of accidental contact immediately flush eyes with large amount of water for at least 15 minutes and call physician. If accidentally swallowed, drink promptly a large quantity of water and call a physician.

Lysol Brand Disinfectant Deodorizing Cleaner is germicidal when used as directed for disinfection but differs in composition from other Lysol Brand Products.
