CRYSTALS**

removes stains
disinfects deodorizes

**KILLS HOUSEHOLD GERMS
INCLUDING STAPH IN BATHROOM BOWL**

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Raise the toilet seat. Flush toilet to wet surfaces. Remove cap and pour 1/2 cup (4 ozs.) of LYSOL Brand Disinfectant Toilet Bowl Cleaner Crystals directly on sides of bowl, letting it fall down into water.

2. After bubbling has stopped, let stand for a few minutes. Brush thoroughly and flush again.

3. For deep stains repeat and let stand for 15 minutes before brushing.

Close cap securely after each use. Rinse brush in clean water after use.

Storage and Disposal: Avoid storage in damp or wet areas. Do not reuse container. Wrap in several layers of paper and destroy when empty.

LEAVES BATHROOM SMELLING FRESHER AND CLEANER
Will not harm white or colored bowls. Will not harm plumbing or septic tanks. LYSOL Brand Disinfectant Toilet Bowl Cleaner Crystals has been specially formulated for use only in toilet bowls; it should not be used on toilet lids, sinks, bathtubs or with chlorine or other chemical products.

LYSOL Brand Disinfectant Toilet Bowl Cleaner Crystals contains no phosphates and is germicidal when used as directed but differs in composition from other LYSOL Brand Products.

Precautionary Statements: Hazard to Humans: Danger: contains Sodium Acid Sulfate (Acid) Harmful if swallowed. Damaging to the eyes. Keep out of eyes. May be irritating to skin. Chemical Hazard: Never use with chlorine products—can react to give off chlorine gas. If chemicals are mixed, flush toilet, ventilate room and leave area.

00
