precautions and first aid

**Lysol** SCOURING  
CREAM

Cleans and bleaches. Disinfects. Deodorizes.

Lysol<sup>®</sup> Brand Scouring Cream contains mild abrasives. This easy-to-use formula clings to vertical surfaces and rinses easily with no gritty residue. Leaves a fresh, clean scent.

Kills germs that cause odors. Lysol Scouring Cream kills mold and mildew and easily removes their unsightly stains.

Lysol Scouring Cream is germicidal when used as directed but differs in composition from other Lysol products.

**IN THE KITCHEN:** Lysol Scouring Cream cleans and bleaches out even the most stubborn food stains in sinks and on counter tops. It cleans and polishes stainless steel sinks, stove tops, and pots and pans.

**IN THE BATHROOM, SHOWER ROOM OR WASHROOM:**

**Tubs and Sinks**—Lysol Scouring Cream cuts through stubborn stains and built-up soap scum leaving surfaces clean and shining with no gritty residue.

**Tile**—Lysol Scouring Cream is easy to use, clings to vertical surfaces, kills mold and mildew and removes their tough stains from tile. Apply Lysol Scouring Cream directly to moistened sponge and rub on to tile surface. Rinse. Repeat application as necessary.

**Toilet Bowls**—To clean and disinfect toilet bowl's flush first, apply Lysol Scouring Cream generously (4 oz. above the waterline, and under the rim of the bowl); swab all surfaces thoroughly and allow to stand for 10 minutes and flush.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake before use, open cap, squeeze to dispense. Use sparingly... a little goes a long way. Apply to damp sponge or cloth or directly to surface to be cleaned. Rub gently and rinse.

**Note:** Care should be taken in cleaning plastic vanity tops and fixtures. Contains bleach. Avoid spilling on colored fabrics.

**PRECAUTIONARY STATEMENTS** Hazards To Humans and Domestic Animals  
**WARNING:** CAUSES EYE IRRITATION. DO NOT GET IN EYES.

**FIRST AID:** In case of contact with eyes, flush thoroughly with water. If irritation persists, contact a physician. If swallowed, give milk, water or egg white.

**STORAGE and DISPOSAL**—Do not reuse empty container. Wrap
