- | | |
|---------------|-------------|
| Sinks | Countertops |
| Toilet Bowls | Stoves |
| Bathroom tile | Tub/Shower |

General Classification: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Directions: Shake before use. Squeeze directly onto surface or onto damp sponge. Rub until clean. Rinse. Close cap after use.

For tough stains, let soak several minutes before wiping clean.

To disinfect: Apply directly to surface let soak 10 minutes, wipe clean. For toilet bowls, flush first. Apply above water line, under and around the rim of the bowl (4 oz.). Let soak 10 minutes, swab all surfaces thoroughly, and flush.

Attention: To avoid scratching certain soft surfaces like appliance enamel, plastic and fiberglass: USE SPARINGLY, AND RUB GENTLY WITH A DAMP SPONGE.

Contains No Phosphates.

PRECAUTIONARY STATEMENT: Hazards to humans and domestic animals.

CAUTION: May cause eye irritation. Avoid contact with eyes. Harmful if swallowed.

Practical Treatment: If in eyes, remove contact lenses; flush eye thoroughly with water. If irritation occurs, see a physician. If swallowed, drink milk or water. Get medical attention.

Physical and Chemical Hazards: Contains bleach. Do not mix with other household chemicals such as products containing ammonia or acid, toilet bowl cleaners, rust removers or vinegar. Avoid contact with clothing.

Storage and Disposal: Store in a cool place. Do not reuse bottle. When empty, wrap and discard in trash.
