| Toilet Bowls | Stoves |
| Bathroom tile | Tub, Shower |

ALTERNATE FOR TBC:

SHAKE WELL BEFORE USING

LYSOL Brand Disinfectant Thick Liquid
Toilet Bowl Cleanser
with bleach and mild abrasives

Cleans with the power of scouring powder
Leaves the bathroom bowl fresh and clean

LYSOL TOILET BOWL CLEANSER gives you the cleaning power of a scouring cleanser in a convenient thick liquid specially formulated to clean the toilet bowl. LYSOL TOILET BOWL CLEANSER is packed with the cleaning and stain-removing power of bleach and mild abrasives. Its special thick formula clings to the bowl so you can direct its cleaning power right to problem areas.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To clean: Shake before use. Squeeze directly onto surface or onto damp sponge. Rub until clean. Rinse. Close cap after use.

For tough stains, let soak several minutes before wiping clean.

To disinfect: Apply directly to surface let soak 10 minutes. Wipe clean. For toilet bowls, flush first. Apply above water line, under and around the rim of the bowl (4 oz.). Let soak 10 minutes. Swab all surfaces thoroughly, and flush.

Attention: To avoid scratching certain soft surfaces like appliance enamel, plastic, and fiberglass. Use sparingly, and rub gently with a damp sponge.

ALTERNATE FOR TBC: SHAKE WELL BEFORE USE

TO CLEAN AND DISINFECT: Flush first. Squeeze directly onto bowl above the water line, under, and around the rim (4oz.). Let soak 10 minutes, brush all surfaces thoroughly and flush. To clean outside of the toilet, squeeze onto damp sponge or cloth. Rub until clean. Rinse. Close cap after use.

Lysol Brand Disinfectant Toilet Bowl Cleanser contains no phosphates and is germicidal when used as directed but differs in composition from other Lysol products.

**PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS.**

WARNING: Causes eye irritation. Avoid contact with eyes. Harmful if swallowed.

STATEMENT OF PRACTICAL TREATMENT

IF IN EYES: Immediately flush eyes thoroughly with water, remove any contact lenses, and continue to flush eyes with plenty of water for at least 15 minutes. If irritation persists, see a physician.

IF SWALLOWED: Drink large quantities of water. Get medical attention.

PHYSICAL AND CHEMICAL HAZARDS: Contains bleach. Do not mix with other household chemicals such as products containing ammonia or acid, rust removers or vinegar. Do not mix with other toilet bowl cleaners. Avoid contact with clothing.

STORAGE AND DISPOSAL: Store in a cool place. Do not reuse bottle. When empty, wrap and discard in trash.
