Lysol Pine Action
BRAND

For disinfecting, and general cleaning and deodorizing hard non-porous surfaces, and for laundry use.
LYSOL PINE ACTION OFFERS THE CONVENIENCE OF DIRECT, FULL-STRENGTH APPLICATION FOR TOUGH CLEANING JOBS, IN COMBINATION WITH EASY POURING INTO A BUCKET FOR LARGE CLEANING TASKS.

- Prior to first usage, twist off cap and remove freshness seal.
- For full-strength application, pull open the cap and gently squeeze the bottle directly at a hard, non-porous surface.
- For large cleaning tasks, remove the cap and mix desired quantities in water.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

- **HOUSEHOLD CLEANING/DEODORIZING:** Use 1/4 cup per gallon water, or use full-strength inside toilet bowls, bathtubs and shower stalls, and for tough cleaning jobs like on tile grout and grease. Flushing required when used full strength, and on rubber or asphalt tile, and on food contact surfaces.
- **DISINFECTING:** Use 1/4 cup per gallon of water. Wet surfaces, let stand 10 minutes, then remove excess. Kill household germs in toilet and diaper pails.
- **MOLD AND MILDEW PREVENTION:** To prevent mold and mildew use full-strength on non-porous surfaces such as tiles and porcelain/fiberglass fixtures. Let soak 10 minutes. Rinse. Repeat application as needed.
- **LAUNDRY:** Add 1/2 cup with regular soap or detergent. Use full-strength on stubborn stains and spots prior to washing. To control odor-causing bacteria in diapers, remove excess soil and then pre-soak in 1/2 cup per gallon of water.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: May cause eye and skin irritation. Avoid contact with eyes or skin. Avoid contamination of food.

STATEMENT OF PRACTICAL TREATMENT: If eye or skin contact occurs wash immediately with water. If irritation persists get medical attention. If swallowed do not induce vomiting. Drink a large amount of milk or water promptly and call physician.

PHYSICAL OR CHEMICAL HAZARD: Keep away from heat, sparks and open flame.

STORAGE: Store in original container in areas inaccessible to small children.

DISPOSAL: Do not reuse empty container. Wrap and put in trash.
Lysol Pine Action cleaner is germicidal when used as directed for disinfection, but differs in composition from other Lysol Brand Products.
