TERM OF ISSUANCE							
NAME OF PESTICIDE PRODUCT							
NAME AND ADDRESS OF REGISTRANT (Include ZIP code) [Redacted]							
NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number. On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act. A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith. Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. 1. The registrant is conditionally required to comply with the following conditions: 2. The registrant must submit all data required for the registration/reregistration of the product under FIFRA sec. 3(c)(5) when the Agency requires any registrant of similar products to submit such data. 3. The registrant must comply with the labeling changes listed below when you release the product in commerce. 4. The registrant must use the phrase "EPA registration no. 17-483." 5. The registrant must use the appropriate label. The label is enclosed for your records. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release or shipment of the product constitutes acceptance of these conditions. A copy of the label is enclosed for your records.
