Regulatory & Registration Compliance Specialist
Reckitt Benckiser Inc.
Morris Corporate Center IV
399 Interpace Parkway
Parsippany, NJ 07054-0225

Subject: **Lysol Brand Fresh Scent Cling Thick Liquid Disinfectant Toilet Bowl Cleaner**
EPA Registration Number 777-70
Application Dated October 18, 2011
EPA Received Date October 18, 2011

Dear Ms. Pisculli:

The following amendment submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable with comments.

Proposed Amendment:

- Label amendments
- Per Agency letter dated 4/29/2010

General Comments:

1. Delete "(website)" from the statement, "For ingredient (and other) information, (www.rbnainfo.com)." Since websites are an extension of labeling, you must list specific website addresses.
2. Should you wish to retain a reference to the company's website on your label, then please be aware that such a reference transforms the website into labeling under the Federal Insecticide Fungicide and Rodenticide Act sec 2 (p) (2) and then the website is subject to review by the Agency. If the website content is false or misleading, the product would be misbranded and its sale or distribution unlawful to sell or distribute under FIFRA section 12(a)(1)(E). In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Although EPA has not yet determined the extent to which it will routinely review company websites, if the Agency finds or if it is brought to our attention that a website contains false or

CONCURRENCES

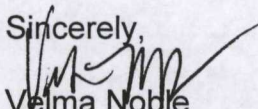

SYMBOL								
SURNAME								
DATE								

misleading statements or claims substantially differing from claims approved through the registration process, the website may be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of the acceptable labeling is enclosed. Submit one (1) copy of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact Drusilla Copeland at (703) 308-6224.

Sincerely,

Velma Noble

Product Manager (31)

<< PRECAUTIONARY / FIRST AID / CHEMICAL HAZARD / STORAGE & DISPOSAL INSTRUCTIONS >>

PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals

WARNING: Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear protective eyewear such as goggles, face shield or safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse.

<< NOTE: First Aid statement may not appear in "box" format for 16 & 24 oz. individual containers due to label constraint >>

FIRST AID	
If in Eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a Poison Control Center or doctor for treatment advice.
CONTACT NUMBER	
Questions? Comments or In case of an emergency call toll free (1-800-228-4722) (1-800-677-9218). Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.	

PHYSICAL AND CHEMICAL HAZARD: Never use with Chlorine Bleach or any other chemical product.

<< STORAGE & DISPOSAL – Residential containers >>

STORAGE AND DISPOSAL:

- STORAGE: Store in original container, in a cool, well-ventilated area, inaccessible to small children. Keep securely closed.
- PESTICIDE DISPOSAL: To avoid waste, use all material in this container according to label directions.
- CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions.

<< STORAGE & DISPOSAL – Commercial / Institutional / Industrial containers >>

(NOTE: Residue removal statement is not applicable for this container because it has a CRC plug making it inherently non-refillable.)

STORAGE AND DISPOSAL:

Do not contaminate water, food, or feed by storage and disposal.

- STORAGE: Store in original container in a cool, well-ventilated area, inaccessible to children. Keep securely closed.
- PESTICIDE DISPOSAL: Pesticide wastes may be hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to the label directions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.
- CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill this container. (To avoid waste, use all material in this container according to label directions.) If empty: Place in trash or offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions.
