OFFICE OF PREVENTION, PESTICIDES AND TOXIC SUBSTANCES

APR 14 2009

Mr. David Swain
Reckitt Benckiser, Inc.
Morris Corporate Center IV
399 Interpace Parkway
Parsippany, NJ 07054

Subject: Lysol Brand Foaming Disinfectant Basin Tub & Tile Cleaner II
EPA Registration No.: 777-71
Amendment Date: January 13, 2009
EPA Receipt Date: January 14, 2009

Dear Mr. Swain,

The following amendment submitted in connection with registration under FIFRA, as amended, is acceptable with the conditions listed below.

Proposed Amendment

- Add Label Claims and NSF logo
- Update Container Disposal statement per PRN 2007-4

Conditions

Revise the label as follows:

- 1) Revise the "Introductory 6-month" claims on page 2 by deleting the terms, "advanced, improved, ultimate, unique" because they imply heighten efficacy.
- 2) Revise the 12th claim on page 2 by deleting the terms, "(bleach) (or harsh acids)" because because it is considered a misleading statement according to 40 CFR 156.10 (a)(5)(i).
- 3) Delete the 13th claim on page 3.
- 4) Revise the 22nd and 32nd claims on page 3 by deleting the symbol, "x% of" because it is indeterminate and misleading to the consumer.
- 5) Revise the 31st claim on page 3 by deleting the terms, "more than, up to, x% of" because it is indeterminate and misleading to the consumer.

6) Revise the "Non-living Allergen" qualifier claim on page 3 and 8 by deleting the following allergens, "cat allergens, cockroach allergens, dog allergens, dust mite allergens, pet allergens, and pollen allergens." These terms are too broad, and they imply that "living" animals and insects are the allergens. You may add "*pollen*" among your list of Non-living Allergens"

7) Revise the 1st and 2nd claim on page 5 by deleting the parentheses around "non-food contact surface."

8) Delete the 16th claim, "Kills 100% of bacteria and viruses" on page 5. The approved disinfection test methods are qualitative not quantitative. Your proposed claim will not be accepted.

11) Revise the 17th and 18th claims on page 5 by deleting the phrase, "without bleaching" because it is considered a misleading statement according to 40 CFR 156.10 (a)(5)(i).

12) Revise the 29th claim on page 5 by stating "Reduces cross contamination of (household) germs on hard, nonporous surfaces."

13) Revise the "Personal Protection" statement under HIV directions on page 9 by deleting the term, "or," and stating "and." These items are not optional when handling soiled items.

14) The "Disposal of Infectious Materials" statement under the HIV directions on page 9 must be brought into compliance with PR Notice 2000-5, Mandatory Labeling, by deleting the term, should, and stating "must."

15) Revise the last statement under the "Precautionary Statements" on page 10 by stating "Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco."

General Comments

A stamped copy of the label accepted with conditions is enclosed. Submit three (3) copies of your final printed label before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact Drusilla Copeland at (703) 308-6224 or Velma Noble at (703) 308-6233.

Sincerely,

Velma Noble

<< Front or Back Panel - Cleaning & Deodorizing claims – use as bullet point or in paragraph format >>

A clean that cares
An efficient way to clean
Brilliant (streak-free) (bright) (glistening) shine
Cleans and disinfects (all over the house) (bathrooms) (restrooms)
Cleans and prevents mold and mildew
Cleans as it disinfects
Cleans everyday (bathroom) (restroom) messes
Cleans everyday dirt and grime
Cleans the toughest (soap scum) (and) (grime) (mold and mildew stains)
Cleans to a brilliant shine
Cleans tough messes fast
Cleans tough (soap scum) (mold and mildew) (and grime)
Cleans without bleaching
Convenient: Just spray foam onto hard, non-porous surface. Even sprays upside down.
Convenient: Just spray on to clean and wipe off. (No scrubbing or rinsing.) (Even sprays upside down.)
Cuts (Cleans) (greasy dirt) (soap scum) (and) (bathroom soils) (restroom soils)
Cuts cleaning time
Cuts through tough (soap scum) (and) (mold and mildew)
Deep down clean
Destroys (Eradicates) (tough) (soap scum) (and grime)
Eliminates (Removes) odors
(Even) removes x% of allergens^{††}
Foams and clings onto tough soap scum
No scrubbing or rinse required
Penetrates deep beneath the surface
Powerful foam destroys soap scum
(Powerful) foaming action destroys soap scum
(Powerful foaming action) dissolves tough stains and soap scum
Powers (Cuts) through tough soap scum (and) (mold and mildew)
(Reduces) (removes) (eliminates) (controls) (neutralizes) (more than) (up to) (x% of) (the most) (common)
(household) (allergens) (around your home) (around your kitchen) (around your bathroom) (on your floors)^{††}
(Reduces) (removes) (eliminates) (controls) (neutralizes) {insert allergens}
Removes 90% of allergens^{††}
Removes and cleans {insert soils}
Removes and cleans: soap scum, bathtub rings, mildew (stains), hard water (stains)
Removes odors from the following surfaces: {insert surfaces}
Removes tough dirt (and grime)
Removes (tough) mold and mildew stains (at the root)
Removes (tough) soap scum
(The) One-step cleaner
The ultimate clean
Tough on (hard water stains) (lime scale) (soap scum) (mold and mildew)
Use daily to help maintain a clean, fresh and shiny surface

<< Back panel – non-living allergen removal claim qualifier >>

^{††} This product removes the following allergens: (cat allergens) (cockroach allergens) (cockroach debris) (cockroach matter) (cockroach particles) (dog allergens) (dust mite debris) (dust mite particles) (dust mite allergens) (hair) (pet allergens) (pet dander) (pet hair) (pollen allergens).

<< Back Panel - Use directions – IMPORTANT: Advisory statements must be included were appropriate >>

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake well before using. Point button to mark on rim. Hold can 6-8 inches from surface.

To Clean (/Deodorize) (/Remove Allergens^{††}): Spray entire surface with foam. Wipe off with a clean cloth or sponge.

To Clean (Lime Scale) (and) (Soap Scum): Allow product to sit 15-20 seconds to penetrate soil before wiping clean. Repeat if necessary.

To Sanitize / Disinfect: Pre-clean surface. Spray surface until covered with foam. **To Sanitize:** Leave for 30 seconds before wiping. **To Disinfect:** Leave for 10 minutes before wiping.

Tuberculocidal: To kill Mycobacterium bovis BCG: Spray on pre-cleaned surface until covered with foam. Leave for 40 minutes before wiping.

To Control (and Prevent) (the Growth of) Mold & Mildew: Apply to pre-cleaned surface. Let surface remain wet for 3 minutes before wiping. Repeat application at weekly intervals or when mold and mildew growth appears.

<< Advisory Statements – must be included were appropriate >>

Does not harm most (bathroom) (restroom) surfaces.
For other surfaces, spot test in an inconspicuous area.
Rinse all surfaces that come in contact with food with potable water before reuse.
Rinse bathtub / shower surfaces with water after using product.
Do not use on utensils, glasses and dishes.

NOTE: Bracketed information is denoted as: << directive >>, { insert as noted }, (optional text), [required qualifier].
The term "this product" used throughout this document may be replaced with the marketed product brand name.
To use the term "germ" the product must be efficacious against 2 of the 3 major classes of organisms.
The product label must identify the specific bacteria, virus, fungus & mold.
