Lenn and Fink Products Group
 Division of Sterling Drug
 225 Summit Avenue
 Monroeville, NJ 07645

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. Add the phrase "EPA Registration No. 777-75" to your label before you release the product for shipment.
2. Add the phrase "EPA Registration No. 777-75" to your label before you release the product for shipment. Refer to the A-79 enclosure for a further description of label printing labeling.
3. If the conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(c). Your release for shipment of the product constitutes acceptance of these conditions.
- A stamped copy of the label is enclosed for your records.

BACK OF LABEL

BARRAGE TM PINE ACTION CLEANER

Barrage Pine Action Cleaner meets ████████ AOAC efficacy standards for hospital ██████ disinfectants.

For disinfecting, general cleaning and deodorizing hard non-porous surfaces and for laundry use. Kills household germs, athlete's foot fungus, dangerous Staphylococcus aureus and Streptococcus faecalis germs, Pseudomonas aeruginosa, and prevents mold and mildew. Also kills Influenza A₂ (Japan) and Herpes Simplex Type 1 and 2 on hard non-porous surfaces.

THE CAP PROVIDES THE CONVENIENCE OF FULL STRENGTH APPLICATION FOR TOUGH CLEANING JOBS IN COMBINATION WITH EASY POURING INTO A BUCKET FOR LARGE CLEANING TASKS.

DIRECTION FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Pull up spout and squeeze bottle for full strength usage.
 2. Remove cap for easy pouring into a bucket.
- o **HOUSEHOLD CLEANING/DEODORIZING:** Use 1/4 cup per gallon of water, or use full strength inside toilet bowls, bathtubs and shower stalls, and for tough cleaning jobs such as tile, grout and grease. Rinsing required when used full strength, on rubber or asphalt tile, and on food contact surfaces. Kills household germs in toilet and diaper pails.
- CLEANING:** Use 1/4 cup per gallon water to clean floors, walls, cabinets, woodwork, sinks, tiles, chrome, garbage pails. No rinsing necessary except on rubber and asphalt tile. Rinse food contact surfaces with water. Use full strength for cutting grease, old wax, or other tough cleaning jobs. Rinse immediately.
- DEODORIZING:** Use 1/4 cup per gallon water, or full strength as required.
- o **DISINFECTING/TO CONTROL MOLD AND MILDEW:** Use 1/4 cup per gallon of water. Wet surfaces, let stand 10 minutes; then remove excess. For toilet bowls, flush and then add 1 1/2 oz. full strength into the bowl water. Thoroughly swab all bowl surfaces and under the rim. Let stand 10 minutes, then flush.
- o **LAUNDRY:** To sanitize, add 1/4 cup with regular soap or detergent. Use full strength on stubborn stains and spots prior to washing. To control odor causing bacteria in diapers, remove excess soil and then pre-soak in 1/4 cup per gallon of water.
