NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data or other material required for registration/reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 777-77."

b. Revise "wash hands after use" to read:

Wash thoroughly with soap and water after handling.

c. Add a statement for the removal of gross filth prior to application of the product.

**LYSOL^R Brand Disinfectant
Basin, Tub & Tile Cleaner
Pre-Moistened Wipes**

The following information is available
through the Freedom of Information Act
as provided by the Environmental Protection
Agency under EPA Reg. No. 1.10600-1

The fast convenient way to clean, shine, and disinfect washable bathroom surfaces and fixtures around the home, schools, hospitals and other public places. Lysol^R Brand Disinfectant Basin, Tub & Tile Cleaner Pre-Moistened Wipes provide a cleaner and towel all in one. Just pop one out and wipe away the dirt - surfaces dry by themselves. No rinsing. It's disposable, too.

Lysol^R Brand Disinfectant Basin, Tub & Tile Cleaner Pre-Moistened Wipes are a quick and easy way to get things shiny clean. Great for everyday bathroom clean-up situations like shaving cream, make-up, toothpaste, and soap splatters.

- For Use on: Vanity Tops
Sinks & Chrome
- Tubs & tile
- Toilet Surfaces
- Shower Doors
or Curtains

CAP THREADING INSTRUCTIONS:

- o Remove the oval threader molded into the center of the lid strap.
- o Open storage cap lid and pull up firmly on lid strap to remove the entire cap from the canister.
- o Locate the first Cleaning Wipe in the center of the roll and thread through the oval threader.
- o Push the threader up through the "X" in the bottom of the storage cap and pull wipe tip through from the other side. Do not push finger through opening.
- o Replace storage cap securely onto canister and discard oval threader.
