Note: Changes in labeling differing in substance from that accepted in connection with this registration should be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the appropriate registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA Section 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA Section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA Section 4, or as required by registration review under FIFRA Section 3(g).
2. Make the following labeling changes:
 - a. Revise the EPA Registration Number to read, EPA Reg. No. 777-97.
 - b. Place the appropriate EPA Establishment No. on the product labeling.

Signature of Approving Official:

- 3. Submit two copies of the revised final printed label for the record.
- 4. The Confidential Statement of Formula dated February 15th, 2005, is in compliance with PR notice 91-2, it agrees with the proposed label and is acceptable.
- 5. The two additional fragrances (Citrus Sparkle VL-21 and Fresh Breeze VL-20) have been routed for inerts approval. Upon completion of our review of the alternate Confidential Statements of Formula, a letter will be forwarded to the company indicating the status of these fragrances being used in your formulation.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA Section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the accepted label is enclosed for your records.

If you have any questions concerning this letter, please contact Karen M. Leavy-Munk at 703-308-6237.

Sincerely,

Marshall Swindell
