OFFICE OF PREVENTION, PESTICIDES AND TOXIC SUBSTANCES

MAR 19 2010

Liane Jenkins
Senior Regulatory & Registration Compliance Specialist
Reckitt Benckiser, Inc.
Morris Corporate Center IV
399 Interpace Parkway
Parsippany, NJ 07054

SUBJECT: Square
EPA Registration Number: 777-100
Application Date: December 24, 2009
Receipt Date: December 29, 2009

Dear Ms. Jenkins:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable subject to the conditions listed below:

Proposed Amendment

- Changing directions for use
- Updating storage and disposal statements
- Adding new marketing claims

Conditions

Revise the label as follows:

1. Revise the 5th claim under the first section of "Marketing Claims" on page 2 by deleting the unqualified term, "powerful", because it implies heightened efficacy according PR Notice 93-6.
2. On page 3 under the "Front or Back Panel – Marketing Claims – use as bullet point or in paragraph form" section: remove the statement "Power of LYSOL" (26th claim down). It is not permissible to use the terms "power and powerful" to describe a brand name of a product.

SYMBOL							
SURNAME							
DATE							

3. Revise the 14th bullet under "Disinfection Claims" on page 7 by deleting the phrase, "harmful (illness causing)" because it implies "prevention of infection." Infection prevention claims are under the Food and Drug Administrations' jurisdiction, not EPA. The statement must read "Can help prevent cross contamination of bacteria."
4. Revise the last statement under the "Storage and Disposal" instructions on page 11 to read "If not refilling, discard in trash or offer for recycling if available."

General Comments

A stamped copy of the labeling accepted with conditions is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact please contact Heather Garvie at (703) 308-0034 or by email at garvie.heather@epa.gov.

Sincerely,

Jacqueline McFarlane
 (Acting) Product Manager (34)
 Regulatory Management Branch II
 Antimicrobials Division (7510P)

Effective – works on many hard, non-porous surfaces
Effectively works on many hard, non-porous surfaces
For a (cleaner) (fresher) (shinier) (household) (home)
(For a) deep down clean
For any hard, non-porous surface where (bacteria) (germs**) are a concern
For multiple cleaning tasks
For use (in) (on) (the) {insert use site / surface} as a multi-purpose disinfectant cleaner
Formulated for (hospital) (institutional) use
Formulated for medical institution's (infection control program) needs
Good for (everyday cleaning) (multiple cleaning) (and) (for your toughest household messes) (jobs) (tasks) (chores)
Great for {insert use site} (most indoor and outdoor cleaning tasks) (your toughest household messes)
Great for everyday use in {insert use site} (all over the house)
Great for (everyday cleaning) (multiple cleaning) (and) (for your toughest household messes) (jobs) (tasks) (chores)
Great for use on hard, non-porous surfaces located in (the) {insert use site}
Help protect your home from germs** with LYSOL® Brand Disinfectant products
Hospital disinfectant
Keep your {insert use site / surface} clean everyday
Leaves a (long-lasting) (fresh) (clean) scent
Leaves no (dull) (filmy) (sticky) (residue)
Lysol's best (ever) (grease) (and) (soap scum) (remover) (cleaner)
Meets AOAC Germicidal Spray Product efficacy test standards for hospital disinfectants
No need to (dilute) (or) (rinse)
No rinse required (on non-food contact surfaces)
Non-abrasive formula (will not scratch surfaces)
Perfect for use (in) (on) (the) {insert use site / surface}
~~Power of LYSOL®~~
Powers through your toughest cleaning jobs
Perfect for everyday use in {insert use site} (all over the house)
Ready to use (kitchen) (and) (bathroom) cleaner
Releases powerful cleaning agents on contact
Starts to work before you do
Take care of your home with (this product)
This is not a concentrate – do not add water
Use (in) (on) (the) {insert use site / surface}
Use only one product to get a streak-free shine plus antibacterial action
Use (this product) throughout your home
Where to use: {insert use site / surface}
Works on a wide range of (kitchen) (bathroom) (household) surfaces
You can see the (this product) difference

<< Front or Back Panel – Cleaning Claims - use as bullet point or in paragraph format >>

4 cleaning actions in (one bottle)
Advanced cleaning power formula
Antibacterial cleaning action (on hard, non-porous surfaces) (in the) (for) ({insert use site}) (all over the house)
Cleans {insert use site} surfaces to a streak-free shine (with no bleach) (without leaving a residue behind)
Cleans and disinfects (all over the house) (kitchens) (and) (bathrooms) (restrooms)
Cleans and disinfects (hard, non-porous surfaces) in kitchens and bathrooms (all over the house)
Cleans and sanitizes (kitchens) (and) (bathrooms) (restrooms) (all over the house)
Cleans and sanitizes most (washable) hard, non-porous (kitchen) (bathroom) (restroom) surfaces
Cleans and sanitizes non-food contact surfaces
Cleans and shines {insert use surface} (in the home)
Cleans and shines (many hard, non-porous surfaces) (in the home)
Cleans (disinfects) (sanitizes) and removes offensive odors from {insert use sites}
Cleans everyday kitchen and bathroom messes
Cleans grease (fast) (quickly)
Cleans greasy dirt, soap scum and bathroom soils
Cleans grime in kitchens (and) (bathrooms) (restrooms) (fast)
Cleans kitchen and (bathroom) (restroom) surfaces

< Front or Back Panel – Cleaning Claims - use as bullet point or in paragraph format >>

Keep your (shower) (tub) free from soap scum
 Leaves {insert use site / surface} surfaces (clean) (deodorized) (sparkling) (shining)
 Leaves nothing but streak-free clean behind
 Leaves your {insert use site / surface} with a fresh, clean scent
 Make soap scum (disintegrate away) (dissolve) (vanish)
 Makes your (cleaning) job easier (in the) ({insert use site}) (all over the house)
 No mix (cleaner) (cleaning)
 Non-food contact surface sanitizing cleaner
 One-step cleaning and sanitizing
 Powerful all purpose cleaner
 Powerful cleaning action
 Powerful fast-acting (all) (multi) purpose cleaner (degreaser) (and) (deodorizer)
 Powerful grease cutter
 Powerful soap scum remover
 Powers away tough grease (and grime) (without streaking) (and) (with no bleach)
 Powers away tough soap scum (with no bleach)
 (Powers through) (cuts) (cleans) (tough) (household) (messes) (including (kitchen) (grease) (and) (grime) (stains)
 Powers through even your toughest messes in the kitchen and bathroom
 Powers through (soap scum) (and) (grease) (better than ever)
 Powers through (tough) (grease) (and) (soap scum) (better than ever)
 Powers through (tough) grease (and grime)
 Powers through tough messes (all over the house including kitchen grease & grime) (and) (bathroom soils like soap scum)
 Quick cleaning (in) (on) (the) {insert use site / surface}
 Quickly cleans {insert use site} surfaces to a streak-free shine (with no bleach)
 Quickly cleans {insert use site} surfaces to a streak-free shine without leaving a residue behind
 Quickly cleans (stubborn) stains
 Quickly cleans the following {insert soils}
 Quickly cuts (tough) (toughest) (stubborn) {insert soils}
 Quickly degreases and deodorizes
 Quickly destroys (tough) (toughest) (stubborn) {insert soils}
 Quickly dissolves (tough) (toughest) (stubborn) {insert soils}
 Quickly eliminates (foul) (filthy) (lingering) (food) odors
 Quickly eliminates (stubborn) stains
 Quickly eliminates the following {insert soils}
 Quickly removes (foul) (filthy) (lingering) (food) odors
 Quickly removes (stubborn) stains
 Quickly removes the following {insert soils}
 Quickly removes (tough) (toughest) (stubborn) {insert soils}
 Quickly powers away (tough) (toughest) (stubborn) {insert soils}
 Quickly powers through (tough) (toughest) (stubborn) {insert soils}
 Quickly wipes away (tough) (toughest) (stubborn) {insert soils}
 Removes soap scum
 Removes tough {insert soils}
 Removes (tough) (everyday) (dirt and grime) ({insert soil})
 Removes tough grease (and grime) (without streaking) (and) (with no bleach)
 Removes tough odors (left behind) (from) (pets) (smoke) (cooking)
 Removes tough soap scum (with no bleach)
 Starts cleaning on contact
 Surface cleaner with antibacterial formula
 The smell of (LYSOL®) clean
 Thoroughly cleans surfaces throughout the {insert use site} (to a streak-free shine)
 Tough on greasy soils
 Uniquely formulated to remove tough grease and grime
 Use (this product) (throughout your home) to clean {insert use site / surface} ({insert soil})
 Wipes away everyday grease and grime
 Wipes away tough grease (and grime) (without streaking) (and) (with no bleach)
 Wipes away tough soap scum (with no bleach)

<< Back Panel - Use directions – IMPORTANT: Advisory statements must be included were appropriate >>

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Operate: Turn nozzle counter clockwise to preferred usage.

To Operate: Turn nozzle to ("ON") (desired) position.

(To Operate): To Open: Lift tab up, push back and press tab down to lock into open position.
To Close: Release tab from locked position, push tab down and snap closed.

To Refill (Bottle): Remove trigger sprayer. Pour in product from refill container and replace trigger.

To Refill (Bottle): Remove trigger unit from empty bottle and attach to new bottle.

To Cleaning (/Deodorize): (Spray) (Apply to) surface until thoroughly wet. Wipe clean with a clean cloth or sponge. No rinsing required.

To Clean (Lime Scale) (Soap Scum) (and) (Greasy Soil): Allow product to sit to penetrate soil before wiping clean. Repeat if necessary.

To Sanitize / Disinfect: Pre-clean surface. (Spray) (Apply to) surface until thoroughly wet.
To Sanitize: Leave for 30 seconds before wiping. **To Disinfect:** Leave for 10 minutes before wiping. Rinse all food contact surfaces with water after use.

<< Advisory Statements – MUST BE INCLUDED >>

Can be used in cleaning tools that recommend the use of (this product).
(Does not) (Will not) harm most (kitchen) (bathroom) surfaces.
On painted surfaces, test a small inconspicuous area first.
Rinse all food contact surfaces with potable water.

Do not use on (eating / cooking utensils, glasses / dishes or cookware) (outdoor patio furniture cushions and pillows) (unfinished, oiled or waxed wood floors).

This product is not recommended for use on (finished wood floors) (marble) (brass) (acrylic plastic) (finished wood surfaces).

<< Back Panel - IMPORTANT: The following applies to professional use products making claims against: >>

<< Terminal Sterilant Statement – qualified metal surfaces >>

This product is not for use on critical & semi-critical medical devices or medical equipment surfaces.

<< Terminal Sterilant Statement – unqualified metal surfaces >>

This product is not to be used as a terminal sterilant / high level disinfectant on any surface or instrument that ⁽¹⁾ is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body; or ⁽²⁾ contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

NOTE: Bracketed information is denoted as: << directive >>, { insert as noted }, (optional text), [required qualifier].
The term "this product" used throughout this document may be replaced with the marketed product brand name.
To use the term "germ" the product must be efficacious against 2 of the 3 major classes of organisms.
The product label must identify the specific bacteria, virus, fungus.
The term "x" is a place holder for a number between 1 to 99.
