

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Antimicrobials Division (7510P)
1200 Pennsylvania Avenue N.W.
Washington, D.C. 20460

EPA Reg. Number:
777-102

Date of Issuance:
Feb. 8, 2007

Term of Issuance:

Conditional

Name of Pesticide Product:

Lysol Brand TBC with Bleach

NOTICE OF PESTICIDE:

 x Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Reckitt Benschkiser Inc.
Morris Corporate Center IV
399 Interpace Parkway
Parsippany, N.J. 07054

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.
2. Change EPA File Symbol 777-RNE to EPA Registration Number 777-102.
3. Change all instances of "angel" to "angle".
4. Change "Cleans everyday toilet dirt and grime" to "Cleans everyday toilet bowl dirt and grime".

Continued on page 2

Signature of Approving Official:

Product Manager 32
Antimicrobials Division (7510P)

Date:

Feb. 8, 2007

5. Change "Disinfects where you can't see (under rim)" to "Disinfects under the rim".
6. Delete "Helps keep water flow optimal". This claim depends on many other factors.
7. Change "Leaves toilet sparkling clean and disinfected" to "Leaves toilet bowl sparkling clean and disinfected".
8. Remove all instances citing the pathogen Respiratory Syncytial Virus.
9. You must submit a revised certification with respect to Child Resistant Packaging (CRP) and must reflect the revised and current provisions. Your application for amendment must contain a certification regarding Child-Resistant Packaging (CRP) and Compliance with the standards and provisions of 40 CFR 157.32 including the revised effectiveness standards in 16 CFR 1700.15(b), and the revised testing procedures in 16 CFR 1700.20 as published in 60 FR 37710 (July 21, 1995). In addition, your certification must include a statement describing the type of packaging used and its designation using the American Society for Testing and Materials (ASTM) Standard D3475-95 "Standard Classification of Child-Resistant Packages. All applicable product sizes must be packaged in CRP.
10. The following three alternate brand names you have requested are acceptable:
 - Lysol Brand II Disinfectant Toilet Bowl Cleaner with Bleach,
 - Lysol Brand II Disinfectant Power Toilet Bowl Cleaner with Bleach, and
 - Lysol Brand II Disinfectant Power Clean Toilet Bowl Cleaner with Bleach.
11. Submit one copy of the final printed label prior to releasing this product for sale.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
