Reference: Notification for Additional Claims
Product Name: Lysol Brand TBC with Bleach
EPA Registration Number: 777-102
OPP ID Number: 298551

Dear Ms. Mitchell:

Reckitt Benckiser is sending a master label with the proposed notification as requested by the Agency in the unacceptable letter dated July 16, 2009. Reckitt Benckiser would like to add the following Spanish translation statement, company logo, revised questions/comments section and the claim with Bleach as this is a factual statement to the above registration: Please note that the term "x" was further explained in the footer as a place holder for a number between 1 to 99. Also, the third comment on the last EPA letter dated April 3, 2009 asked to revise the storage and disposal directions to include language for a trigger bottle. Please note that the 777-102 registration is for a toilet bowl cleaner product only and has a CRC. Therefore this comment is not applicable to this registration.

Important: For directions for use and first aid instructions in Spanish, please call {insert phone number}
