Subject: Product name: Vanity GP
 EPA Reg. Number: 777-104
 Application Date: 20-Mar-2008
 Receipt Date: 24-Mar-2008

Dear Ms. DeCarlo:

The following master text label amendments, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, are acceptable with the following condition:

- On page 8 of the proposed label, change "Hepatitis A" to "Hepatitis A virus"

Submit three (3) copies of the revised labeling bearing the revision as stated above. A stamped copy of the label is enclosed for your record. Please note that the Agency is moving away from review of paper submitted registration applications to electronic review of applications. Therefore, we need your help to make this an efficient and convenient process for both you and the Antimicrobials Division. Accordingly, we are asking you to submit future labeling amendments for this product via the electronic labeling process. Refer to the following website for guidance on electronic submissions, including label:

http://www.epa.gov/oppfead1/eds/esr_guidance.htm#overallsub. If you have questions concerning electronic labeling, a list of contacts is available at the following site:
<http://www.epa.gov/oppfead1/eds/edsgoals.htm#contacts>.

If you have any questions concerning this letter, please contact me by telephone at (703) 308-6422 or by e-mail at heyward.adam@epamail.epa.gov during the hours of 8:00 am to 4:00 pm EST. When submitting information or data in response to this letter, a copy of this letter should accompany the submission to facilitate processing.

Sincerely,

Adam Heyward
