Subject: **Gattuso GP**
EPA Registration No.: 777-108
Application Date: February 5, 2010
Receipt Date: February 12, 2010

Dear Ms. Raman:

This acknowledges receipt of your notification, submitted under the provision of PR Notice 98-10, FIFRA section 3(c) 9.

Proposed Notification:

Add Optional Text: Important: For directions for use and first aid instructions in Spanish, please call (insert phone number)

General Comment:

Based on a review of the material submitted, the following comment applies:

A copy of the notification is accepted and has been inserted in your file for future reference.

Should you have any questions or comments concerning this letter, you may contact me by telephone at (703) 308-6416 or by e-mail at campbell-mcfarlane.jacqueline@epa.gov or Stacey Grigsby by telephone at (703) 305-6440 or by e-mail at grigsby.stacey@epa.gov during the hours of 8:00am to 4:00pm EST. When submitting information or data in response to this letter, a copy of this letter should accompany the submission to facilitate processing.

Sincerely,

Jacqueline McFarlane

Attention: Ms. Jacqueline McFarlane, PM-34

Reference: Notification for Alternate Brand Names
Product Name: Gattuso GP
EPA Registration Number: 777-108
OPP ID Number: 298581

Dear Ms. McFarlane:

Reckitt Benckiser would like to add the following statement to the Master Label for the above registration. The claim involves adding optional text to the Back Panel:

Important: For directions for use and first aid instructions in Spanish, please call {insert phone number}

In addition, requested changes have been incorporated into the appropriate sections, as per EPA letter dated September 10th, 2009.

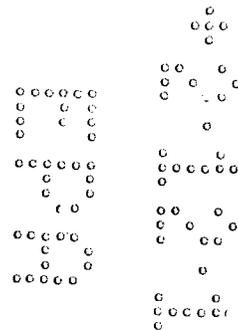

In order to support this submission, the following documentation is included:

- EPA Form 8570-1, OPP Identification No. 298581.
- One (1) copy of the revised master label text, dated February 5, 2010.
- One (1) copy of the most recent stamped master label dated September 10, 2009.

If there is any other information that the agency needs to complete this submission, please feel free to contact me directly at 973-404-2717 or via email at amrita.raman@reckittbenckiser.com. Thank you for your assistance with this registration action.

Sincerely,

Amrita Raman

<< Back Panel - Use directions – IMPORTANT: Advisory statements must be included were appropriate >>

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Operate: Turn nozzle counter clockwise to preferred usage.

To Operate: Turn nozzle to ("ON") (desired) position.

(To Operate): To Open: Lift tab up, push back and press tab down to lock into open position.
To Close: Release tab from locked position, push tab down and snap closed.

To Refill (Bottle): Remove trigger sprayer. Pour in product from refill container and replace trigger.

To Refill (Bottle): Remove trigger unit from empty bottle and attach to new bottle.

To Clean (/ Deodorize) (/ Remove Allergens^{}):** (Spray) (Apply to) surface until thoroughly wet. Wipe with a clean cloth or sponge (or rinse with water).

To Clean (Lime Scale) (and) (Soap Scum): Allow product to sit 15-20 seconds to penetrate soil before wiping clean. Repeat if necessary.

To Sanitize / Disinfect: Pre-clean surface. (Spray) (Apply to) surface until thoroughly wet.

To Sanitize: Leave for 30 seconds before wiping. **To Disinfect:** Leave for 5 minutes before wiping.

<< Advisory Statements >>

Does not harm most (bathroom) (restroom) surfaces.
On painted surfaces test a small inconspicuous area first.
For all other surfaces, test on a small hidden area before use.
May discolor painted surfaces including decorative tile and colored grout.
May etch some older sinks and tubs.
Not recommended for use on acrylic plastics.
Rinse bathtub / shower surfaces with water after using product.
Should not be used on marble surfaces.
Will not harm septic tanks.

If the last portion (of this product) is difficult to dispense, turn trigger 180° to face opposite direction; this will ensure full use of its contents.

NOTE: Bracketed information is denoted as: << directive >>, { insert as noted }, (optional text), [required qualifier].
The term "this product" used throughout this document may be replaced with the marketed product brand name.
To use the term "germ" the product must be efficacious against 2 of the 3 major classes of organisms.
The product label must identify the specific bacteria, virus, fungus & mold.
