Subject: Notification per PRN 98-10 – Minor label modifications  
Product Name: White  
EPA Registration Number: 777-128  
Application Date: October 4, 2016  
Decision Number: 522704

Dear Mr. Channi:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If you have any questions, you may contact Tara Flint at [flint.tara@epa.gov](mailto:flint.tara@epa.gov) or Eric Miederhoff at [Miederhoff.eric@epa.gov](mailto:Miederhoff.eric@epa.gov).

Sincerely,

Eric Miederhoff  
Product Manager 31  
Regulatory Management Branch I

<< USE DIRECTIONS >>

(Peel here)

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

(For) Single Dose (use) (for) (all washing machine (types) (styles)):

Add (full) contents of (pack) (package) (sachet) to your fabric softener (drawer) (compartment) or directly to the rinse cycle.

For (Standard) (Top Load) Machine(s):

Add (150 mL) ((X) capful(s)) (each filled to (level) (line) (X) of the dosing cup) to the fabric softener (compartment) (drawer) (of the washing machine) or directly to your rinse cycle wash.

**[Place Holder for Dosing Cap Graphics]**

For (High Efficiency) (Front Load) Machine(s):

Add (100 mL) ((X) capful(s) each filled to (level) (line) (X) of the dosing cup) to the fabric softener (compartment) (drawer) (of the washing) machine) or directly to your rinse cycle wash. (If total amount does not fit, add the remaining amount into the (compartment) (drawer) when rinse cycle wash begins.)

**[Place Holder for Dosing Cap Graphics]**

To Sanitize: add to rinse cycle and leave product in (contact) (rinse cycle) for 16 minutes.

**<< ADVISORY STATEMENTS >>**

Safety statements below refer to direct contact with concentrated product only and not with fabrics that have been washed. Not intended to be mixed with laundry detergents (in the main wash compartment) (or rinse cycle additives). Use this product in the rinse cycle exclusively.

Can be used on (most) (majority of) washable (fabrics) (materials). (Not intended for use on) (silk) (or) (wool).

Do not use on materials that cannot be washed in (a) washing machine(s).

**<< PRECAUTIONARY / FIRST AID / STORAGE & DISPOSAL >>**

**PRECAUTIONARY STATEMENTS:** Hazards to Humans and Domestic Animals

**DANGER:** Corrosive. Causes irreversible eye damage. Do not get in eyes or on clothing. Avoid contact with skin. Wear protective eyewear (goggles/safety glasses). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

FIRST AID	
If in eyes	<ul style="list-style-type: none"><li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li><li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.</li><li>• Call a Poison Control Center or doctor for treatment advice.</li></ul>
If on skin	<ul style="list-style-type: none"><li>• Take off contaminated clothing.</li><li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li><li>• Call a poison control center or doctor for treatment advice.</li></ul>
CONTACT NUMBER	
Questions? Comments or In case of an emergency, call toll free (1-800-228-4722) (1-800-677-9218) (1-xxx-xxx-xxxx). Have the product container or label with you when calling a Poison Control Center, or doctor, or going for treatment.	
NOTE TO PHYSICIAN	
<p>Probable mucosal damage may contraindicate the use of gastric lavage.</p> <p><b>Symptomology</b> – Exposure under normal and foreseeable use conditions, this product is not expected to produce severe morbidity. Normal use conditions may produce localized irritation of the skin and eye.</p> <p><b>Supportive Treatments</b> – If localized irritation occurs, flush the affected area with water.</p> <p><b>Antidote</b> – No known antidote is available. Gastric lavage may be contraindicated.</p> <p>Company contact information – Reckitt Benckiser LLC., Morris Corporate Center IV, 399 Interpace Parkway (P.O.
