Subject: Label and CSF Amendment –Adding marketing claims, four new Alternate Formulations Nos.#2 thru #5 and adding 30 Alternate Brand Names (ABNs) to the master label.  
Product Name: Cousteau W  
EPA Registration Number: 777-133  
Application Date: November 02, 2018  
Decision Number: 546735

Dear Ms. Landolt:

The amended label and CSF(s) referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, are acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Please note that the record for this product currently contains the following CSFs:  
Any CSFs other than those listed above are superseded/no longer valid.

- Basic Confidential Statement of Formula dated 04/20/2018
- Alternate Formulation #1 dated 04/20/2018
- Alternate Formulation #2 dated 11/02/2018
- Alternate Formulation #3 dated 11/01/2018
- Alternate Formulation #4 dated 11/02/2018
- Alternate Formulation #5 dated 11/02/2018

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.
