Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 - Adding Marketing Claims, Claim qualifiers, and Pictograms
Product Name: Lysol Air Sanitizer
Admin Number: 777-143
EPA Receipt Date: 09/12/2025
Action Case Number: 00667338

Dear Katrine Rubia:

The U.S. Environmental Protection Agency is in receipt of your application for notification under Pesticide Registration Notice 98-10 for the above referenced product. The EPA has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

If you have questions, please contact Terria Northern via email at northern.terria@epa.gov.

Sincerely,

Terria Northern, RM Team 34
RMB2, AD
Office of Pesticide Programs

Proprietary formula with active molecules proven effective to kill 99.9% of bacteria* (and / &) viruses† in the air
Scientifically proven to kill 99.9% of (bacteria*) (and / &) (viruses†) in the air
Removes (bacteria*) (.) (and)(&) (viruses†) (odors(†)) (from the air)
{Insert Lysol® brand name} Scientifically proven to kill 99.9% of bacteria* and viruses† (in the air)
(This product) (Lysol® Brand products) helps reduce the spread of (bacteria*) (viruses†)
To Sanitize spray in the air (use as directed)
Virucidal† (air treatment)
Virus† killer

<< USE DIRECTIONS >>

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
(Read the entire label before using the product.)

(To Unlock Cap: Turn counterclockwise (1) (2) (clicks). Lock cap, after use.)

((To) (Deodorize) (and) (Remove Malodors): Spray in air (for 5 seconds).)

To kill Bacteria* and Viruses† in the Air (and Eliminate Odors): Shake well before each use. Close or cover all doors, windows, air vents and returns. Only the user should be present during use. Hold can upright and continuously spray for 30 seconds towards the center of room and ceiling in a sweeping motion (back and forth) (left and right). Room size defined as [10ft x 10ft x 8ft or 800 cubic ft.]. **To kill bacteria*** after spraying, leave room for 4 minutes. **To kill viruses†** after spraying, leave room for 12 minutes. After contact time, resume normal room ventilation including opening doors, windows and uncovering returns and vents. Not for use around food. Rinse food contact surfaces with potable water after use. Spray may leave hard floors slippery. Do not concentrate spray over hard floors.

For spaces 801 to 4,000 cubic ft., repeat the directions for use by spraying in the center of each 800 cubic ft. section, not to exceed 5 sprays per day.

Product is for application to air only with no residual effect after room is reopened. This product is intended to supplement public health guidelines for indoor air including maintenance and ventilation.

<< PRECAUTIONARY / FIRST AID / STORAGE & DISPOSAL >>

PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. **Do not** spray in eyes, on skin or on clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID	
If in eyes	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes.• Remove contact lenses, if present(.), after the first 5 minutes, then continue rinsing eye.• Call a Poison Control Center or doctor for treatment advice.
CONTACT NUMBER	
Questions? Comments or In case of an emergency, call toll free (1-800-228-4722) (1-800-677-9218) (1-xxx-xxx-xxxx). Have the product container or label with you when calling a Poison Control Center, or doctor, or going for treatment.	

PHYSICAL HAZARDS: FLAMMABLE: Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

<< STORAGE & DISPOSAL – Residential containers >>

NOTE: Bracketed information is denoted as: << directive >>, { insert as noted }, (optional text), [required qualifier]. The term "this product" used throughout this document may be replaced with the marketed product brand name. To use the term "germ" the product must be efficacious against 2 of the 3 major classes of organisms. The product label must identify the specific bacteria, virus, fungus & mold. The term "x" is a place holder for a number between 1 to 99. The term "Y" is a place holder for a character A – Z.

STORAGE AND DISPOSAL: Store in a cool dry area. Non-refillable container. Do not reuse empty container. Do Not Puncture or Incinerate! Recycle empty container if available or discard in trash.

<< STORAGE & DISPOSAL – Commercial / Institutional / Industrial containers >>

(NOTE: Residue removal statement is not applicable for this container because it is an inherently non-refillable aerosol can.)

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store in a cool dry area inaccessible to children. Keep securely closed.

(CONTAINER) DISPOSAL: Non-refillable container. Do not reuse empty container. Do Not Puncture or Incinerate! Recycle empty container if available or discard in trash. If partly filled: Call your local solid waste agency for disposal instructions.
