Sergeant's®
SKIP FLEA® SHAMPOO
Kills Fleas On Dogs • Cleans & Deodorizes

IMPORTANT CONSUMER INFORMATION
PURPOSE: Sergeant's Skip Flea Shampoo kills fleas and lice and cleans, deodorizes, and soothes itchy skin. It contains an effective flea killing ingredient at a fraction of the cost of other flea killing shampoos and spot-on flea treatments.
DIRECTIONS: It is a solution of Federal law to use the product as a shower shampoo with wet hair. Scoop out a small amount of the product in your hand. Rub it into the hair, and working back, rub until the entire scalp is covered with lather. Be sure that lather is worked thoroughly into the hair down to the skin. Allow lather to stand for several minutes, then rinse completely. Repeat if desired. Rinse thoroughly and towel dry. Use Sergeant's Ready-Come-Conditioner after shampooing to improve hair condition.
STORAGE AND DISPOSAL: Store in cool dry place. Do not reuse empty container. Rinse thoroughly before recycling if used.
