Sergeant's

**Sergeant's
 INDOOR FOGGER**

IMPORTANT CONSUMER INFORMATION

WARNING: Sergeant's Indoor Fogger kills flies, gnats, mosquitoes, ticks, fleas, houseflies, spiders, mosquitoes, wasps, small flying insects, ants, cockroaches, fruit flies, gnats, crickets, centipedes, moth carpet beetles, silverfish and roaches. One can treats up to 5,000 cubic feet. Sergeant's can be used in every room in the house: Kitchen, Family Room, Bedroom, Living Room, Garage, Basement and Attic. Also useful in Campers, Boats, and just about any area where an insect problem exists. This unique Sergeant's product allows you to automatically do a whole room with a just-tilting fog while you are away.

TIPS: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For use only when building is vacated by humans and pets. Use at least one can per 5,000 cubic feet of unobstructed area (20' x 25' x 10'). Use additional units for open areas or when low flow of mist is not desired. REMOVE pets, birds and cover or remove fish tanks. Cover all food processing surfaces and elements during treatment or wash thoroughly before use. Do not eat/drink/wash food, water or food stuffs. Food should be removed or covered during treatment. Open cupboards, closets, trunks and hamper drawers in areas to be treated. COVER outside air, covered wood floors, wood furniture and plastic items, such as storage covers, appliances and rubber items, which may come in contact with the fog. Newspapers may be used. CLOSE outside doors and windows. Shut off fans and air conditioners. EXTINGUISH ALL flames and pilot lights. ACTIVATE FOGGER while pointing fog of can away from face by pressing down firmly with thumb on spray tab, holding the catch. Place fogger on stand covered with newspapers in center of open and leave house if area. DO NOT REENTER BUILDING FOR FOUR HOURS. Then open doors and windows and allow to air 30 minutes.

**PRECAUTIONARY STATEMENTS
 HAZARD TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Harmful to humans. Avoid breathing of mist and contact with eyes, skin, or clothing. Wash contact areas thoroughly with soap and warm water. For eyes, flush with plenty of water. Get medical attention if...

ACCEPTED
 APR 2 1985
