

**IMPORTANT CONSUMER INFORMATION**

**PURPOSE:** Sergeant's® Room Fogger kills houseflies, spiders, ticks, mosquitoes, fleas, wasps, small flying moths, ants, scorpions, fruit flies, gnats and roaches. One can treats up to 5,000 cubic feet. Sergeant's can be used in every room in the house: Kitchen, Family Room, Bedroom, Living Room, Garage, Basement and Attic. Also useful in Campers, Boats, Garages and pet sleeping areas where an insect problem exists. This unique SERGEANT'S product allows you to automatically fill a whole room with insect-killing fog while you are away.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For use only when building is vacated by humans and pets. Use one can per 5,000 cubic feet of unobstructed area (25' x 30' x 8'). Use additional units for remote rooms or when free flow of air is not assured. Increased air flow is required for these rooms. REMOVE pets and cover or remove fish tanks, exposed foods, dishes, utensils, food processing equipment and surfaces. Open cupboards, closets, trunks and interior doors in areas to be treated. COVER asphalt bit, wood wood floors, wood furniture and plastic items such as stove covers which may come in contact with the fog (newspapers may be used). CLOSE outside doors and windows. Shut off fans and air conditioners. EXTINGUISH open flames and pilot lights. ACTIVATE FOGGER while pointing top of can away from face by pressing down firmly with thumb on spray tab, holding the catch. Place fogger on stand covered with newspapers in center of room and leave house at once. DO NOT REENTER BUILDING FOR FOUR HOURS, then open doors and windows and allow to air for one hour.

**PRECAUTIONARY STATEMENTS  
HAZARD TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed. Avoid breathing of mist and contact with eyes, skin, or clothing. If inhaled remove victim to fresh air. Apply artificial respiration if indicated. Wash contaminated skin and clothing promptly with soap and warm water. For eyes, flush with plenty of water. Get medical attention if irritation persists. Do not remain in enclosed areas after use. Ventilate enclosed area before reentering. Do not allow children to be or sleep in treated area until at least six hours following treatment. Do not consume food, water or food stuffs. Food should be removed or covered during treatment. Remove pets, birds and cover fish aquariums before spraying. Some plastics may be affected. Remove or cover items such as eyeglasses, stove covers, robot toys.

**STORAGE AND DISPOSAL:** Contains under pressure. Do not use or store near heat or open flame. Exposure to temperature above 130° may cause bursting. Do not reuse empty container. Do not puncture or throw container into fire or incinerator. Wrap empty container and put in trash collection.
