 (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

 A.H. Robins Company, Inc.
 1405 Cummings Drive
 P.O. Box 26609
 Richmond, VA 23261-6609

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

His product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 778-88."
 - b. Add to your Hazards To Humans paragraph, after the sentence "Irritation in Eyes will cause eye irritation," the statement "Get medical attention if irritation persists."
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-75 enclosure for a further description of final printed labeling.

BEST AVAILABLE COPY

JUN 03 1987

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, this product is a
pesticide.
EPA Reg. No. 778-88

CAT COLLAR
DUAL ACTION

Sergeant's DUAL ACTION

PURPOSE: This Collar kills fleas and brown dog ticks by a double layer sustained-release system which combats the insects with a powder, working two ways to provide fast control. Thus, Collar has the effect of simultaneous usage of powder and spray. Fleas and brown dog ticks (ticks are only infrequent swimmers and will not impair Collar's effectiveness) It is not affected by swimming or are out in the rain. Use Sergeant's DUAL ACTION Collar for control.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product on animals other than cats. Place Collar around pet's neck, adjust for fit, and be sure Collar is not too loosely to allow for growth of the pet and to permit the pet to move freely. Generally, a properly fitted Collar is one that, when the pet's head is down, leaves 2 or 3 inches for extra adjustment. Cut the ends of the Collar after installing Collar on pet. Under normal conditions, the Collar should be replaced more often. Do not use on kittens under 6 weeks of age. Store unopened Collar in a cool, dry place. Dispose of used Collar in trash.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Do not open until ready to use. Dust may irritate skin, get dust in mouth or eyes. Harmful if swallowed. If swallowed, get medical attention. If in contact, flush eyes with water. Collar is intended for use on cats only. Internally. Some animals may become irritated by a severe allergic condition persists, consult a veterinarian.
Note to Physician/Veterinarian: Dust released from Collar may irritate skin. Atropine is antidotal.
