Attention: Ms. Anthony W. Besthoff

Subject Tobacco Dust
EPA Reg. No. 779-13
Your letter of August 17, 2001

Label Approval The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable, provided that you submit one (1) copy of final printed labeling with the following changes before you release the product for shipment.

Make sure that you follow the minimum type size requirements in the attachment.

1. Delete "Natural Organic".
2. Delete "Do not discharge ... office of the EPA." as this text is for manufacturing-use products and special end-use products. See PR Notice 93-10.

Label Approval-continued

3. Revise your "Disposal" text as follows:

STORAGE AND DISPOSAL

Storage: Store only in original container, in a dry place inaccessible to children and pets.

Disposal: **If empty:** Do not reuse empty container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions.

Never place unused product down any indoor or outdoor drain.

Existing Stocks

Existing Stocks of previously approved labels may be used for 18 months.

Failure to make changes

This registration will be subject to cancellation in accordance with FIFRA sec. 6(e) if you do not comply with these conditions. Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records

EPA Contact

If you have questions about this letter, please contact me at 703-305-5407 (by phone), 703-305-6596 (by fax), or peacock.dan@epa.gov (by E-Mail).

Sincerely yours,

Dan Peacock, Biologist

KEEP OUT OF REACH OF CHILDREN
CAUTION
 SEE BACK PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS

Application

Controls Leafhoppers, Thrips, Plant Lice
 and other soft bodied insects

**Tobacco
 Dust**

Net Wt. 3 Lbs. (1.36 kg.)

STATEMENT OF PRACTICAL TREATMENT

- If swallowed - Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. Get medical attention immediately.
- If inhaled - Remove victim to fresh air and apply respiration if indicated.
- If on skin - Wash promptly with soap and water. Rinse thoroughly.
- If in eyes - Rinse eyes for at least 15 minutes with water and call a physician immediately.

PRECAUTIONARY STATEMENTS

Hazard to humans and domestic animals.

KEEP OUT OF REACH OF CHILDREN

CAUTION

Harmful if swallowed or absorbed through the skin. May cause eye or skin irritation. Avoid contact with eyes, skin, or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARD

This pesticide is toxic to wildlife. Use with care when applying to area frequented by wild life. For terrestrial uses, do not apply directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not apply when weather favors drift from target area. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

F&B Tobacco Dust

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

DISPOSAL

Do not re-use empty container. Wrap container and put in trash collection.

DIRECTIONS FOR USE

Control Leafhoppers, Thrips and Plant Lice (Aphids) on Roses, Azaleas, Carnations, Chrysanthemums, Gladiolus, Peonies, Zinnias and Ornamental Turf Grasses.

Make application after first sprinkling area to be treated with water or when flowers or grass are damp after rainfall or dew has settled. Apply F&B Tobacco Dust thoroughly to both sides of moistened leaf surfaces sufficiently so as to insure contact of the dust with the bodies of insects. Apply 1 lb. to approximately 50 sq. ft. of area to be treated. Repeat application at 7-10 day intervals.

LIMIT OF WARRANTY AND LIABILITY

The exclusive remedy of the user or buyer and the limit of liability of this company or any other seller for any and all losses, injuries or damages resulting from the use or handling of this product shall be the purchase price paid by the user or buyer. There is no warranty and this company and any other seller disclaim all liability for all losses, personal injuries or damage arising from combined substances and from any use of this product not recommended in label directions or arising from misuse, improper handling or improper storage.
