DIRECTIONS

Ring soil around plants, trees and shrubs with several inch wide bands of F&B Rabbit & Dog Chaser.

Apply F&B Rabbit & Dog Chaser every 2 to 3 weeks during season when rabbits and dogs are present.

WARRANTY AND DISCLAIMER

Foesy & Besthoff, Inc. and the seller warrant that this material is Foesy & Besthoff, Inc. standard quality, conforms to its chemical description on this label and is reasonably fit for the purposes stated herein when used under normal conditions in accordance with the directions set forth herein. However, because of the wide range of conditions under which this material may be used beyond the control of Foesy & Besthoff, Inc. and of the seller, even though label directions are followed, it is impossible to eliminate all risks associated with its use. Therefore, Foesy & Besthoff, Inc. nor the seller makes any other express or implied warranty of merchantability or fitness of this material for any particular use or under conditions not reasonably foreseeable to Foesy & Besthoff, Inc. or to the seller or for use of this material contrary to the directions on this label, and as a condition of the sale of this material, the buyer assumes the risk of any such use. No person is authorized to vary the terms of this warranty and disclaimer.
