**DO NOT USE THIS PRODUCT IN OR AROUND
VEGETABLE GARDENS OR FOOD CROPS.**

Before treatment, try to remove all traces of animal droppings and urine from the areas to be protected. Animals are attracted by the odors of these deposits. If the odors are effectively removed, regular use of F&B Rabbit & Dog Chaser around ornamental plants, trees, and shrubs should discourage new visitations.

Apply product in two or more inch-wide bands around the plants or the areas to be protected. Be careful not to apply product directly to foliage or stems. Repeat treatment as needed. More frequent applications will be needed if heavy rains, heavy snowfalls, hot weather, or high winds occur. The material in this package will produce a band of product one-inch wide and 25 feet long.

WARRANTY AND DISCLAIMER

Faesy & Besthoff, Inc. and the seller warrants that this material is of Faesy & Besthoff, Inc. standard quality, conforms to its chemical description on this label and is reasonably fit for the purposes stated hereon when used under normal conditions in accordance with Directions for Use set forth hereon. However, because of the wide range of conditions under which this material may be used beyond the control of Faesy & Besthoff, Inc. and of the seller even though label directions are followed, it is impossible to guarantee all risks associated with its use. Therefore, neither Faesy & Besthoff, Inc. nor the seller makes any other express or implied warranty of merchantability or fitness of this material for a particular use or under conditions not reasonably foreseeable to Faesy & Besthoff, Inc. or to the seller or for use of this material contrary to the directions on this label and, as a condition of the sale of this material, the buyer assumes the risk of any such use. No person is authorized to vary any term of the warranty and disclaimer. Faesy & Besthoff's liability is limited to the purchase price of this container.
