STORAGE AND DISPOSAL

If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to humans and domestic animals

CAUTION

Avoid contact with eyes, skin and clothing. Do not inhale dust.

FIRST AID: If on skin, wash promptly with soap and water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of waste.

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: This product may be used to discourage domestic dogs (*Canis Familiaris*) from defecating on or near treated lawns or in treated areas around ornamental plants, trees, shrubs, and pavements. This product also may be used to repel cottontail rabbits (*Sylvilagus Floridanus*) from entering, feeding in, or defecating within treated areas associated with flower gardens, ornamental plants, trees, and shrubs.

DO NOT USE THIS PRODUCT IN VEGETABLE GARDENS NOR ON FOOD CROPS. MAY BE USED AROUND THE PERIMETER OF VEGETABLE GARDENS. DO NOT ALLOW THE PRODUCT TO WIND DRIFT TO NEARBY FOOD CROPS.

Application Directions: Before treatment, try to remove all traces of animal droppings and urine from the areas to be protected. Animals are attracted by the odors of these deposits. If the odors are effectively removed, regular use of F&B Rabbit & Dog Chaser around ornamental and shrubs should discourage new defecations by dogs and visitations by rabbits.

Apply product in 2 or more inch-wide bands around the plants or the areas to be protected. Be careful not to apply product directly to foliage or stems. Repeat treatment as needed. More frequent applications will be needed if heavy rains, heavy snowfalls, hot weather, or high winds occur. The material in this package will produce a band of product 1 inch wide and 85 feet long.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with DIRECTIONS and CAUTIONS stated on this label.
