### DIRECTIONS FOR USE

Treat the entire lawn evenly and thoroughly at the rate of sixteen pounds of F&B 6.25% Granular Sevin per 5,000 sq. ft. (3.2 lbs./1,000 sq. ft.). Apply with a spreader for uniform coverage and work material in with a coarse water spray after treatment.

Suggested Spreader Settings:

Cyclone \_\_\_\_\_ 3%  
Scott \_\_\_\_\_ 4.8

NOTICE: Normal differences in equipment and materials, as well as condition of machine, adjustment, and walking speed may cause variation in application rate. Therefore, FAESY & BESTHOFF, INC., makes no warranty as to the uniformity of coverage obtained from the above spreader settings.

**CAUTION!**

Hazardous if Swallowed or Inhaled. Do not take internally. Avoid breathing dust or contact with skin. Wash thoroughly after handling. Change contaminated clothing daily. **NOTE FOR PIVOTAL:** Carbaryl is a moderate, reversible, cholinesterase inhibitor. Absorption is prohibited. Avoid contamination of food and feedstuffs, water supplies, streams and ponds. Keep out of reach of children and animals. Do not re-use container. Destroy when empty.

**NOTICE!**

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.

### DIRECTIONS FOR USE

Treat the entire lawn evenly and thoroughly at the rate of sixteen pounds of F&B 6.25% Granular Sevin per 5 000 sq. ft. (3.2 lbs./1 000 sq. ft.). Apply with a spreader for uniform coverage and work material in with a coarse water spray after treatment.

Spreader Settings:

3-4  
4.0

These settings are for use on a standard broadcast spreader. Actual settings may vary as well as condition of machine, adjustment of spreader, and condition of material. Therefore, F&B & BEST, INC. does not warrant the accuracy of these settings. Always check the actual coverage obtained from the above spreader.

**CAUTION!**

Avoid breathing dust or contact with skin. Wash thoroughly after use. Wash contaminated clothing daily. NOTE FOR PHYSICIANS: Carbaryl is a cholinesterase inhibitor. Atropine is antidotal. Avoid contact with water supplies, streams and ponds. Keep out of reach of children. Do not reuse container. Destroy when empty.

**NOTICE!**

This product is sold as a pesticide to the chemical description and is reasonably fit for the uses stated on the label. It is sold as such and is not warranted by F&B & BEST, INC. for any other use. F&B & BEST, INC. does not warrant the accuracy of the directions, or the quantity, quality, or fitness for a particular use of this product contrary to label instructions, or the results to be obtained therefrom, or the conditions not reasonably foreseeable to seller, and buyer.
