INERT INGREDIENTS:92.0%

CAUTION: Keep out of reach of Children.

May cause irritation of eyes, nose, throat and skin. Avoid breathing Dust. Avoid contact with eyes, skin or clothing in case of contact. Flush with plenty of water. For eyes, get medical attention. Keep away from Fire and Sparks. Do not reuse container. Destroy when empty.

CAUTION

This product is toxic to fish. Keep out of any body of water. Apply this product only as specified on this label. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE FOR POTATO SEED PIECES

To control Fusarium and seed piece decay. Use 10 oz. per bushel of cut seed pieces or 16 oz. (1 lb.) per hundred lbs. cut seed pieces. Apply in convenient container or by duster attachment over belt. Coat each seed piece evenly with a light film of dust. Treat seed pieces within 6 hours after cutting. If planting is to be delayed more than one or two days, the treated pieces should be stored for two days in open crates before bagging. Do not use excess seed pieces for food or feed.

F & B WARRANTY

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
