Broad Spectrum Lawn Insect Control

MAR 19 1974

UNIVERSITY OF CALIFORNIA PESTICIDE
FUNGICIDE AND RODENTICIDE ACT
FOR ECONOMIC POISON REGISTER
D UNDER NO. 779 33

WITHHOLDS: Chinch Bugs, Sod Webworms, Lawn Moths, Earwigs
White Grubs of
Japanese beetles
European chafer
Southern chafer
Billbugs and many others (See complete list on side and
back of bag)
Spreader Setting No.
(per 1000 sq. ft.)

Spreader Make and Model	Insects listed below**		White Grubs, Billbugs and Hyperodes Weevil
	Regular or Dichondra Lawn	St. Augustine Lawn	
Scott	6	7 1/4	6 3/4
Jackson 18-26 (18") vs buck oss Country (19")	6 5 3/4	6 3/4	6 1/4
Montgomery Ward 89-108 (20")	7 3/4	8 1/2	8 1/4
Salem Micro Set (22")	9	8 1/4	8 3/4
Cyclone Lawn Spreader	4 3/4	5 3/4	5 1/4
Lawn Beauty	6	6 3/4	6 1/4
Central Stamping	7 1/2	8	7 3/4

* Chinch Bugs	Bermuda Mites	Outworms
Earwigs	Crickets	Fleas
Ticks	Armyworms	Leafhoppers
Ants	Brown Dog Ticks	Sowbugs
Lawn Moths (Sod Webworms)	Chiggers	Millipedes
	Clover Mites	Springtails (Collembola)

Note:

Above spreader settings are approximate. Accurately weigh a few pounds into your spreader and apply to a measured area. Then adjust the spreader setting if necessary in order to assure correct rate of application.

General Lawn Application:
Granules control the following lawn insects on both grass and
turf lawns:
Chinch Bugs-Earwigs-Ticks-Ants-Lawn Moths (Sod Webworms)-Bermuda Mites
Ticks-Amyworms-Brown Dog Ticks-Chiggers-Clover Mites-Cutworms-Fleas
Leafhoppers-Sowbugs-Millipedes-Springtails (Collembola)

Apply Granules to your lawn with a fertilizer spreader at the rates shown on the side panel chart. Application should be made when grass is dry. Water lawn lightly after application. Repeat as necessary.
For application with other types of equipment, or by hand, apply at the rate of 5 lbs. per 1000 sq. ft. (an area 20' by 50') or 8 oz. per 100 sq. ft. (an area 10' x 10'). For heavy lawns such as St. Augustine lawns, application should be increased to 7.5 lbs. per 1000 sq. ft. (or 12 oz. per 100 sq. ft.)

Billbugs and White Grubs of Japanese Beetle, European Chafer, Southern Chafer
Apply 6 lbs. per 1000 sq. ft. of lawn. Water grass thoroughly after application. For grub control make application any time between late July and early October. For billbug control, apply when activity is first observed or when chewed or brown grass indicates damage from these insects. Repeat as necessary.

Hyperodes Weevil (New York only)
Apply 5 lbs. per 1000 sq. ft. of grass. Water grass thoroughly after application. Treat problem areas in mid-April and again in mid-May.

Spot Treatment
Ants: Apply one tablespoon of Granules over and around each individual ant hill.

Digger Wasps: Apply one tablespoon of Granules in and around each individual ground nest opening. Make the application about dusk when the wasps are not active.

Band Treatment Around Foundation
The following insects are commonly found around or near the foundation of houses as well as in the lawn. Certain of these insects may even enter the house.

Ants	Crickets	Millipedes
Brown Dog Ticks	Earwigs	Sowbugs
Clover Mites	Fleas	Springtails (Collembola)

For control of the above insects, apply a five-foot band of Granules next to the foundation of the house. Distribute the granules uniformly using a rate of 8 oz. for each 5' by 20' area to be treated.

Caution: Keep out of reach of children. Avoid breathing of dust. Avoid contact with skin, eyes and clothing. Avoid contamination of feed and foodstuffs. Wash thoroughly after handling. Harmful if swallowed. May be absorbed through skin. Treat lawns in late afternoon. Keep children and pets off treated areas until the following afternoon.

This product is toxic to fish, birds and other wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

Apply this product only as specified on this label.

Do not reuse this container. Destroy by burying or burning. Avoid smoke or fumes.

WARRANTY

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
