	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT Quick Death 2	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Victory Chemical Company
 730 North 2nd Street
 Philadelphia, PA 19123

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 783-21."
 - b. Revise your Hazards to Humans and Domestic Animals paragraph to read:

Caution: Harmful if swallowed. Avoid contact with eyes, skin or clothing. Avoid breathing spray mist. Wash thoroughly after handling. Do not use this product in food areas of food handling establishments, restaurants or other areas where food is prepared or processed.

SIGNATURE OF APPROVING OFFICIAL <i>J. S. Ellenberger</i>	DATE 11/26/85
---	------------------

c. Your Statement of Practical Treatment must be placed in your Hazards to Humans paragraph.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Jay S. Ellenberger
Product Manager (12)
Insecticide-Rodenticide Branch
Registration Division (TS-767)

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed, inhaled or absorbed through skin. Do not get in eyes, on skin or clothing. Do not spray animals.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife and birds. Do not contaminate water by cleaning equipment or disposal of wastes. Do not apply directly to water.

STATEMENT OF PRACTICAL TREATMENT

If swallowed — Contains Petroleum Distillate. DO NOT INDUCE VOMITING. Get immediate medical attention.

If on skin — Wash immediately with soap and warm water. Wash hands before eating or smoking. Wash all contaminated clothing with soap and hot water before re-use.

If in eyes — Flush with plenty of water. Get medical attention if irritation persists.

TO PHYSICIAN — Atropine Sulfate is antidotal. This product is a cholinesterase inhibitor.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

STORAGE: If container is damaged: Stop any leaks by repositioning the container or by patching or otherwise repairing the leaks. Take care to avoid contact with pesticide and wear protective gear. On cleanup of spilled liquids, wear protective equipment as required to prevent contact with the product or its vapors. Cover the spilled areas with generous amounts of absorbent material, such as clay, diatomaceous earth, sand or sawdust. Sweep the contaminated absorbent on to a shovel and put the sweepings into a salvage drum. Dispose of wastes as below. Place any leaking container into a similar drum or glass container. Do not store, use, pour, or spill near heat or open flame.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
