

Miller's

# ZINEB 6D

(6% Zineb Dust)

## AGRICULTURAL FUNGICIDE

ACCEPTED  
302-403

Active ingredient  
 Zineb (Zinc Ethylene Bisdithiocarbamate) ..... 6.0%  
 Inert ingredients ..... 94.0%

### CAUTION — Keep out of reach of children.

May cause irritation of nose, throat, and skin. Do not breathe the dust. In case of prolonged or frequent use, wear clean, protective clothing and bathe after each exposure. In case of skin contact, wash with water; for eyes, wash copiously with water and get medical attention.

### USE PRECAUTIONS

Read entire label. Use strictly in accordance with label directions, cautions, and warnings and in conformity with Federal and State Regulations.

Avoid drift to adjoining food and forage crops about to be harvested. Apply this product only as specified on this label. Do not apply when weather conditions favor drift of dust from areas treated. The grower is responsible for residues on his crops as well as for damages caused by drift from his property to that of others.

Dispose of wastes by burying in non-crop lands away from water supplies. The containers should be disposed of by punching holes in them and burying with wastes. Do not contaminate water by cleaning of equipment or disposal of wastes.

†Do not apply closer to harvest than number of days indicated for the specific crop being treated.

Crop and Pest	†Days	Pounds per Acre
Downy Mildew .....	14	35
Dust at weekly intervals if mildew is present and wet or humid weather prevails.		
<u>BEANS</u> - Downy Mildew, Rust, Anthracnose .....	7	30 to 40
Dust when first blossoms appear and repeat at 7 to 14 day intervals as needed.		
<u>ONIONS</u> - Downy Mildew .....	*	30 to 40
Dust when mildew first appears, repeating in 10 to 15 days as needed. *Do not apply on green onions within 7 days of harvest.		
<u>TOMATOES</u> - Early and Late Blight .....	0	30 to 40
Dust when disease appears and repeat at 7 to 10 day intervals or oftener if disease is severe.		

NOTICE: Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended, and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
